TEN CENTS

HURRICANE WINDS BLEW this large pine tree onto the home of Robert M. Lawrence during the height of the storm at St. Petersburg, Fla., Wednesday night. The storm claimed two lives in Florida. (AP wirephoto)

## Savage Tornado Plows Through Topeka Leaving 15-Mile Swath of Ruin

(See Related Story on Page 5)

TOPEKA, Kan. (AP)—A killer tornado, four blocks wide at its base, plowed through the center of Topeka Wednesday night leaving a 15-mile swath of destruction and death, the extent of which was not yet fully known. "A conservative guess of damage would run around \$100 million," said Mayor Charles W. Wright Jr.

## Hurricane Leaves Trail of 45 Dead in Three Nations

ST. PETERSBURG, Fla. (AP)—Hurricane Alma, leaving a trail of at least 45 dead in three nations, howled relentlessly onward today to another landfall in the Florida Panhandle. Residents of the Panhandle beaches who went to sleep Wednesday night in the belief they were safe from Alma, awoke today to find themselves next in line to receive the hammer blows of her wind and rain. The wall of the eye, around which the hurricane's top winds of 90 miles an hour raged, moved across the coast near Apalachicola, a city of 3,000, about 11 a.m. EST.

## Kosygin Says Soviets Will Avoid Conflict

BY WILLIAM L. RYAN  
(AP Special Correspondent)

Premier Alexei Kosygin has told the Soviet people and the Communist world, in effect, that the U.S.S.R. will avoid becoming any more deeply involved in Vietnam than it is at present. He counseled that patience will pay dividends in the long run. In a speech in Moscow Wednesday, the Soviet government chief offered this assessment of Viet Nam: Administration advisers in Viet Nam did a disservice to the U.S. government because "they had prepared recommendations as to where and how the war should be started, but had not recommended how to get out of it."

## Buddhists' Statement Shows Retreat

SAIGON, South Viet Nam (AP)—Buddhist foes of Premier Nguyen Cao Ky's regime came out today with a statement bearing marks of a full-fledged retreat. They disavowed neutralism and said any peace talks now would mean surrender to the Viet Cong. American troops in the country are obviously needed temporarily, said a statement by the Buddhist majority of South Viet Nam's Buddhists. American developments attending the proclamation: "South Vietnamese troops reported they and supporting warplanes killed 250 Viet Cong ambush Wednesday 48 miles north of Saigon." "Military spokesmen announced 24 allied servicemen died in combat last week. Of these, 109 were Americans. The Viet Cong were reported to have lost 902 killed, 120 captured."

## 6 Directors Are Selected For Chamber

Six new directors have been elected to the Twin Falls Chamber of Commerce. Elected for three-year terms are Harold Hove, Twin Falls Bank and Trust; Howard Allen, Sterling Jewelry; Robert Van Engelen, Van's Department Store; and Leo Vogel, Mountain States Telephone Co. Robert Alexander, Benoit and Benoit, and Vernon Rutledge, Rutledge Food, were elected for one-year terms. The new directors will take over on July 1. A meeting of the old and new board will be held Tuesday, at which time new officers will be elected. Hold-over directors are Earl Faulkner, The Paris Co.; James Kinney, Fidelity National Bank; Pat O'Connor, Idaho Power Co.; Kenneth Roundy, DeLuxe Motel; Robert B. Day, Amalgamated Sugar; and John Christofferson, John Chris Motors.

## Request for Hike Of Debt Expected

WASHINGTON (AP)—The Treasury Department is expected to ask the Senate next Monday to reject the position of the House and vote to raise the temporary debt ceiling to \$332 billion. The House voted 108-165 Wednesday over almost solid Republican opposition to raise the temporary debt limit to \$330 billion—\$2 billion more than the present temporary ceiling but \$2 billion less than the Treasury wanted.

## Volunteers Asked to Be Peaceful in Mississippi Trek; One Marcher Dies

(See Picture on Page 13)  
SENATORIA, Miss. (AP)—The James H. Meredith march in Mississippi resumed today as its leaders warned volunteers today that they must be peaceful. They added that nightly tent encampments are planned en route to Jackson. About 300 Negroes tramped off on the march shortly before noon, paced by Dr. Martin Luther King Jr. and other civil rights leaders. The Negroes had gathered through the morning, standing in the hot sun along U.S. 51, just north of Senatobia, awaiting the arrival of the leaders from Memphis, 35 miles to the north. One of the marchers collapsed and died 45 minutes after the procession began winding in narrow file, along the highway shoulder. He was tentatively identified as Unidentified Philip, about 40, of Memphis. "When I got to him, he was unconscious," said Dr. Alvin Poussaint, of Jackson. "He is dead." Meredith's statement in New York Wednesday night that he would return to Mississippi armed, if necessary, had the crowd-buzzing as they waited. "I have not lost confidence in nonviolence," said King, when asked about Meredith's statement. "Mr. Meredith has gone through great stress and strain. We hope he will rejoin the march before Jackson and he has indicated he wants to do so." King said tents for the encampments were ordered and were expected Friday. He said the marchers will "go into surrounding communities after each day's march and urge voter registration." Meredith, recuperating at home from two blasts of birdshot fired at him Monday as he strode on his "march against fear," told newsmen Wednesday night: "I will be armed when I return unless I have positive assurances that arms are not needed. I believe in law and order, but I believe in the right to kill Negroes, then the Negroes will have to join together to resist this slaughter."

## Politics Turn Coeur d'Alene, Boise Into Convention Centers

By The Associated Press  
Idaho politics turned Boise and Coeur d'Alene into convention centers today as delegates began arriving for state assembly meetings. Assemblies of both parties opened Friday night, in Boise for Republicans, and in Coeur d'Alene for Democrats. At least two of five Democratic candidates will be endorsed for governor. What the Democratic platform will contain depends partly on who gets endorsed. Republicans have only two candidates for governor—incumbent Robert E. Smylie and State Sen. Don Samuelson of Sandpoint.

## Peace Officers Unit Names New President

BURLEY — Chet Howard, stationed with the Department of Liquor Law Enforcement in Pocatello, was elected president of the Idaho Peace Officers Association during balloting Wednesday. Howard succeeds Twin Falls County Sheriff James Benham. Other officers include Mark W. Maxwell, Boise, chairman of the State Board of Corrections, who was re-elected as secretary-treasurer, and Calvin Bernard, Pocatello Idaho State Patrolman, sergeant of arms. Vice presidents were elected by districts with Robert Nuttallman, Coeur d'Alene police department, elected from District 1; William Morgan, Idaho State patrolman from District 2; Robert Brown, Idaho State patrolman from Twin Falls, District 3; and Les Hopkins, Bonnellville County Sheriff, District 4. Benham was elected a five-year board member; Don Royce, Idaho State patrolman from Boise, four-year member; Donald E. Rogers, Coeur d'Alene police officer, three-year member; William N. Baker, Lemhi County sheriff, two-year member, and Fred Abrams, Boise, Board of Corrections, one-year member.

## TV Service Interrupted By Vandalism

Service to about 80 percent of Cable Vision homes was interrupted Wednesday night for nearly four hours in what William Grange, Cable Vision manager, called the "toughest incident of vandalism" his company has encountered. Grange said that some individual willfully pulled a main cable from an amplifier at about 7:15 p.m. last night, disrupting the service until 11 p.m. This is the most recent of a series of vandalism incidents which has prompted the Twin Falls company to offer a \$100 reward for information leading to the conviction of any individual damaging the cable system property. Grange explained that trouble spots are extremely difficult to locate in the company's 75 miles of cable. He said that such trouble spots often take months to find. He pointed out one example where it took the company over three months to locate a trouble spot which interrupted service in a small section of town. He said it was necessary for servicemen to run their hands over the cable to find the fault. See VANDALISM, Pg. 2, Col. 8

## Petitions Being Circulated To End City Manager Setup

Petitions against the city manager form of government are being circulated in Twin Falls by an organized group of citizens, states Nolan Victor, spokesman for the group. Victor said the group has been alarmed at the great increase in the cost of the present form of city government and has taken a broad look at the city budgets that have been spent in the past 16 years. He said the group also has been alarmed at the increase in spending in the city from the time the city manager form of government first started. To illustrate this, Victor said, in 1950 the total budget expenditures were \$1.25 million and the 1966 proposed expenditure is about \$3.33 million, which does not include the expense of the new water system.

## Flag Day

Three days remain in which to purchase American and Idaho flag kits in time to display them on Flag Day, Tuesday. The Times-News business office will be open Friday, Saturday morning and Monday. The kits are being sold at cost of \$3.50 plus tax as a public service by the Times-News this year. The kits contain a large American flag, a smaller Idaho flag, a two-section hardwood pole, cord and hardware needed to display them. They are available at the business office. Besides Flag Day, the most popular flag-flying day of the year, Independence Day, is coming up in three weeks, on July 4.

## Area Need for Optometrists Is Predicted

SUN VALLEY, Idaho (AP)—Northwest states will need nearly 500 more optometrists by 1970, a regional optometric convention was told Wednesday. Dr. Eugene McCarty of College Park, Md., president of the American Optometric Association, said his estimate was based on providing one optometrist for each 7,000 persons. Dr. McCarty said by 1970 Idaho will need an additional 33 optometrists, Utah 100, Montana 30, Wyoming 24, Oregon 83 and Washington 203. The Idaho Optometric Association, meeting in conjunction with the regional conference, is located at the Sheraton Hotel in Idaho Falls as its new president. Dr. Charles Stewart of Boise was named president-elect. Dr. James Haug of Lewiston vice president. Dr. Tom Tappen of Bullhollow secretary-treasurer and Dr. Arthur Bode of Rupert and Dr. Rod Heister of Payette directors. Dr. Gale Allen of Boise was named Idaho optometrist of the year. The Oregon Optometric Association awarded optometrist of the year honors to Dr. Tolgreen of Oregon City and gave a special President's Award to Dr. Charles B. March of Forest Grove.

## Send Photos

WASHINGTON (AP)—The United States is sending copies of photographs taken by the Surveyor moon craft to chiefs of state of more than 100 nations, Russia is included, but Communist China isn't. The White House, in making the announcement, also said selected prints from the thousands of pictures beamed back to earth will be distributed to scientists worldwide. In answer to a question, White House Press Secretary Bill D. Moyers said Russia also is sending Johnson pictures from its last lunar shot.

At least 2,000 homes were destroyed or damaged, he estimated. After a helicopter trip over the area today he said the devastation was far greater than expected from earlier reports.

Civil Defense authorities reported at least 11 dead, and said they expected to find more bodies in the rubble. Approximately 150 persons were injured, 50 of whom it was estimated still were hospitalized. Two thousand were left homeless.

The damage extended from the southwest corner of the city, through a luxury residential district, 15 miles to the northeast portion of Topeka where there was extensive damage at the municipal airport.

En route, the storm left evidence of its path—the 160-acre Washington University campus either in ruins or extensively damaged; plowed through an area of better class homes, hit at the downtown business district and caused extensive damage through the east Topeka area around the Santa Fe Hospital.

Weather forecaster Richard Garrett said the fact there were no more deaths with such a massive storm moving through a heavily-populated area was a tribute to the work the last 15 years in stressing tornado safety.

Manhattan, home of Kansas State University, 60 miles west of Topeka, suffered heavy property damage. About 65 persons were injured. Tornadoes also See TORNADO, Pg. 2, Col. 4

## Sen. Dirksen Makes Slam At War Policy

WASHINGTON (AP)—Senate Republican Leader Everett M. Dirksen charged the administration today with refusing to be either "candid or consistently credible" about Viet Nam policy. At a joint news conference with House Republican Leader Gerald R. Ford of Michigan, Dirksen renewed his request that President Johnson call a bipartisan leadership conference to examine U.S. policy. "I urge this in order that the American people through their elected representatives in the Congress might better understand the shape of things to come," Dirksen said.

He said that if the Republicans have a better understanding of administration plans and policies in Viet Nam, "they will be better able to provide that unqualified support so necessary to the winning of a swift, secure and honorable peace."

## Johnson Asks Patience Over Viet Nam War

WASHINGTON (AP)—President Johnson urged the American people today to remember that the war in Viet Nam is a long one. He said it took 13 years after the Revolution for the United States to become a nation with a president. Johnson talked about Viet Nam in the White House rose garden as he awarded diplomas to 25 foreign service and State Department officers who have just finished a nine-month seminar in foreign policy. "I urge you to remember," Johnson told his audience, "that Americans often grow impatient when they cannot see the light at the end of the tunnel—when policies do not overnight usher in a new order. "But politics is not magic, and when some of our fellow citizens despair of the tedium and time necessary to bring change—when they are in Viet Nam today—they are forgetting our own history."

## Soviets Send Satellite in Low Orbit

MOSCOW (AP) — The Soviet Union has launched another satellite in a very low orbit, the kind that American scientists have suggested are used for Soviet "spy in the sky" reconnaissance.

A spokesman announced Wednesday that the satellite was launched Tuesday. The delay in the announcement was not explained.

Its high altitude was 180 miles and its low 121 miles. The announcement repeated the formula for all Cosmos launches by saying it was for scientific research.

## Spokesman Says Pilot Not Treated Fair

DENVER, Colo. (AP) — A spokesman for United Airlines said Wednesday that former United pilot Gale C. Kehmeier was not treated fairly in a Civil Aeronautics Board hearing to determine the cause of a United jet crash in 1965.

The CAB recently released its decision on the cause of the November crash at Salt Lake City, saying, "pilot error" was responsible for the accident.

Forty-three persons died in the fiery crash.

United public information officer Don Cannale said "one of the things we protested at the hearing was that only a portion of the pilot's training record was admitted."

Cannale said the portion of Kehmeier's record used in the hearing contained only references to average or below-average performances in training procedures. He said other portions of the pilot's record showed above-average performance.

"We felt he (Kehmeier) got a short shake because his entire training record was not admitted," Cannale said.

Kehmeier told a Denver newspaper Tuesday that he objected to CAB investigative procedures because the examiner disregarded witnesses and evidence.

## 500 Firemen Still Striking After Order

ATLANTA, Ga. (AP) — More than 500 striking firemen ignored a court order instructing them to return to work today and most of them went to a union meeting instead.

City Atty. Henry L. Bowden said two assistant city attorneys are trying to decide what steps the city should take next. Mayor Ivan Allen Jr. said earlier that unless the men returned to work on their regular shifts today, the city would ask the Supreme Court for a contempt citation.

The firemen struck Tuesday for better pay and shorter hours. About 170 firemen have been manning the city's 32 stations which serve more than half a million people.

During the walkout, the city has improvised its fire protection, spreading nonstriking firemen on duty around the various stations and pressing policemen into service.

A fire officer said all territories in the city would have coverage in case of a fire. The officer said there had been no major fires since the strike began.

## Report Given At Wendell Grange Meet

WENDELL — Reports of activities of the home economics committee of Wendell Grange were made Monday night at the Tuesday evening meeting of the organization.

The committee served the 4-H leaders banquet, sponsored by the Idaho Power Co., and were in charge of the lunches for two public sales.

C. T. Crow, grange master, called for an agricultural report on Dairy Month. Henry Schmidt read an article concerning the dairy production.

It was reported that Mrs. Florence Fowler, long time member of the grange, has sold the Wendell home and moved to Nampa. Mrs. G. H. Breivick, who has been ill for a long time, now is able to be at her home.

Mrs. and Mrs. D. W. Wilcox and Mr. and Mrs. Chris Webb were hosts.

## Leaves Estate

KANSAS CITY, Mo. (AP)

—Homer McWilliams, who lived the last 19 years of his life in a hospital because he preferred to, left an estate of \$8,633.33.

McWilliams, a bachelor, died at the age of 98 last Dec. 21. He entered Trinity Lutheran Hospital because of a traffic accident and stayed as a paying guest. In his will, filed in Probate Court, McWilliams set up a trust fund for charity, and left cash bequests to seven cousins, a nurse, friends and a long-time confidant, Corellus Thorp. McWilliams made his fortune in investments and real estate.

## Boise Teacher To Do Research

BOISE (AP) — Bill C. Bowman — a high school counselor and teacher in Boise — has been appointed director of research for the State Department of Education.

Bowman has been boys' counselor, Boise and Capital High schools, a coach, and teacher of mathematics and driver education.

The real property to be conveyed is described as follows, to-wit:

W/2 of the SW/4 of Section 20, except that part of the SW/4 of the SW/4 being North and West of the West Canal of the North Side Canal Company, and SW/4 of the SW/4, Section 25, all in Township 7 North, Range 14 East, Boise Meridian, in the County of Twin Falls, State of Idaho.

Dated: June 9, 1966. EVELYN HINZEE, Deputy Clerk.

Published: June 9, 10, 23 and 30, 1966.

## Buhl Appoints Planning Board

Buhl — A seven-man board was appointed to serve on the planning and zoning commission for the city of Buhl when the council held its monthly meeting Tuesday night at the city hall.

Appointed by Mayor Reed P. Buhl and approved by councilmen were Marion J. Ambrose, William Aldrich, J. B. Moss, James W. Hart, Olin Smith, Thomas L. Smith and Robert M. Peterson.

Duties of the planning and zoning commission will be to recommend and make suggestions to the city council for the adoption of coordinated plans for the physical development of the city; for the formation of zoning districts; for the laying out, widening and extending location of streets, roads and highways for the relief of traffic;

development of land within the city; suggestions for the future growth development and beautification of the city, as well as recommending regulations, restrictions and boundaries for zoning of areas within the city and those to be annexed into the city.

The council accepted the bid of Daiss Insurance Agency for a three year basis premium policy on a Blanket-Fidelity Bond for \$743. The insurance covers up to 25 employees with the treasurer and city clerk to be bonded at \$25,000 each and other employees at \$2,500. The only other bid was submitted by the Barker Insurance Agency in the amount of \$815.

A resolution was adopted approving the application for a preliminary loan for low rent public housing, approving, ratifying and confirming the execution of a cooperation agreement with the Housing Authority of the city of Buhl. The council approved the recommendation of Police Chief Charles Burkbank that parallel parking be instituted on Walnut Street, thereby making the entire block parallel parking.

Fireworks for the Fourth of July aerial display were ordered jointly by the city and Buhl Chamber of Commerce.

Building permits were issued to Earl McRoberts, construct a carport for \$300; Delmar Wuebner, construct a frame storage building at residence for \$200; Sidney Ownbey, construct an enclosed porch at residence for \$300; and R. W. All, re-roof back porch for \$20.

Doris Hatfield was officially hired to serve as life guard at the Buhl municipal pool. It was noted the pool tentatively is scheduled to open this weekend. A water users agreement was approved between the city and Joe Schultz who resides east of Buhl on highway 30.

According to the contract, Schultz will put in his own water line, will purchase the pipe, which will be installed by the city and Schultz will pay fees on a water meter basis.

# Idaho News

**ENTER PROGRAM**  
GRACE (AP) — More than 500 students from Soda Springs, Grace and Bancroft are registered to participate in the Caribou County Rodeo program beginning Monday at Lava Hot Springs. The program is in its 12th year.

**PETITIONS DENIED**  
BOISE (AP) — Petitions for a rehearing by two couples involving some Lemhi County property and the Saratoga Hotel were denied by the Idaho Supreme Court Wednesday.

Seeking the rehearing were Eldon W. Jolley and his wife, Edna, and E. Dale Jolley and his wife, Mildred. They claimed misrepresentation involving delivery of a deed on property in Lemhi County to Idaho Securities, Inc., and acceptance of a deed for the hotel.

**SCHEDULE PLEA**  
POCATELLO (AP) — Efforts to prevent the closing of State Foundation Pools in Lava Hot Springs were scheduled to be held in Pocatello Thursday.

Dr. Richard Crandall, Bannock County Health Officer, is to meet with Foundation President David J. Anderson and Robert DeShazo at 3 p.m. Crandall said Wednesday the county board of health is considering an order to close the pools.

**INDIAN SOUGHT**  
BLACKFOOT (AP) — Authorities are seeking an Indian in the murder of Manuel Garcia Jr., of Wapello, according to the Bingham County Sheriff's office. Doputies said Wednesday the Indian's identity is known, but FBI and the Bureau of Indian Affairs Police were not available for comment.

Garcia's body was found Sunday morning in an irrigation ditch on the Fort Hall Indian Reservation. Witnesses have reported seeing Garcia leave a Blackfoot Bar with an Indian Saturday night.

**GRADUATION SET**  
MOSCOW, Idaho (AP) — Three days of commencement activities began Friday night at the University of Idaho where 1,200 seniors will be graduated in ceremonies Sunday morning.

**NAMES DIRECTORS**  
BOISE (AP) — A dinner honoring the chairman of the Smylie for Governor election committee was announced Wednesday the appointment of two trustees of Boise as administrative director of Gov. Robert E. Smylie's reelection campaign.

**HAS AGREEMENT**  
LEWISTON, Idaho (AP) — The International Woodworkers of America said Wednesday it had reached agreement with Potlatch Forests, Inc., on recommendations for a new three-year contract granting a 5-cent hourly increase over three years. The proposals followed the pattern for the industry set on the Pacific Coast last week in employers and the IWA as well as the Lumber & Sawmill Workers union.

**Gooding Council Accepts Audit**  
SHOSHONE — The 1965 audit of the Gooding Council of Caribou and Oakley, Idaho, was accepted by the local City Council at their Tuesday night meeting.

Councilmen accepted the monthly report of Chief of Police Bill Anderson and Mrs. Marie Nielsen, police judge. Discussion was held regarding summer work, the purchase of a new fire alarm, installation of water pipes and meters and the possibility of installing tables and benches at the hall. Further investigation will be made in the matters before any further action is taken.

**RECOVERS FROM BITE**  
AMERICAN FALLS (AP) — A ranch hand was bitten in good condition Wednesday in Power County Hospital recovering from a rattlesnake bite.

Buene John, 22, of Rockland, was working in a field on the lowland Porman ranch six miles southeast of Rockland when the snake struck Monday. John told Power County sheriff's officers he had just entered a closed-cab tractor and began driving when he heard a buzzing sound.

At first he thought the sound came from a malfunction of the tractor, John told authorities. Then he saw the rattlesnake coiled around the tractor's transmission. The snake struck once, mixed, then struck again. John was bitten in the thigh. John then grabbed the snake by the back of the head and threw it out of the tractor.

He drove the tractor a mile to the Porman ranch house, from where he was taken to the hospital. He was treated with anti-venom serum which was rushed to the hospital by law enforcement officers.

**PLEA DENIED**  
POCATELLO (AP) — The Bannock County Commission Tuesday denied a plea by the manager of Hillcrest Haven Convalescent Home, for an increased county allotment for indigent patients.

The county now pays \$25 per month per patient, with state department of public assistance paying \$185 to bring the per-patient maintenance to \$210 per month in nursing homes.

Dutton asked the commission to increase the county's payment by approximately \$26 monthly per patient to "tide us over" until state aid, hopefully, is increased later in the summer.

**DINNER SET**  
BOISE (AP) — A dinner honoring the chairman of the Federation of Republican Women was scheduled Wednesday to precede the Idaho Republican state assembly in Boise Friday and Saturday.

The dinner honoring Mrs. Dorothy Elston, of Washington, D.C., is planned Thursday evening.

## GOP Women Hear National President Speak in T.F.

Republican women from throughout Southern Idaho gathered in Twin Falls Wednesday afternoon to attend a luncheon in honor of Mrs. Dorothy Elston, Washington, D.C., national president of the Federation of Republican Women.

The luncheon, under the direction of Mrs. Horace Holmes, president of the Twin Falls County Women's Republican Club, was held at the Holiday Inn.

While addressing the gathering, Mrs. Elston said, "Being born in a free country, we bear the burden of responsibility of keeping it this way, and the only way to keep this freedom is to exercise the right to vote."

In encouraging the ladies to help in precinct work, she told them to tell people to vote the whole GOP ticket because it's the philosophy, not the personality, that counts.

Mrs. Elston sees the rebirth of the Republican party since the 1964 defeat. She cited many reasons for this, and said that Republicans have gained important offices in large cities throughout the country. Also in attendance at the

## 90-Year-Old Princess Can See Again

WASHINGTON (AP) — A 90-year-old Russian princess, who was born in the White House and has been blind for 10 years, can see again.

She is Princess Cantacuzene, who was born Julia Grant, grand-daughter of President Ulysses S. Grant.

She has lived alone in a Washington apartment for the past 10 dark years. She had no hope of ever seeing again.

Two weeks ago, the retina dropped in one eye, enabling her to see again. Doctors said they could not explain why her sight had suddenly returned in this way.

"I can't read," says Princess Cantacuzene, widow of a Russian prince, "I see color. I see people, but things are a little blurred. You can't imagine what it's like, to see again."

**GETS DEGREE**

**Will Marry**  
LONDON (AP) — Frederick Lennon, brother of John Lennon's bartender father, announced today that he's going to marry a barmaid and he won't invite his famous son to the wedding.

"John has forgotten me," said Lennon, 32. "Since he became famous, we've only met once. Of course, he'll be welcome if he wants to come."

The bride-to-be is Trudie Harris, 41, divorced mother of six children. Lennon's first wife was killed in a traffic accident.

## Probe Into Plane Crash Is Started

EDWARDS AIR FORCE BASE, Calif. (AP) — A 30-man board is beginning a detailed investigation into the collision between the giant XB70A research bomber and an F4J jet chase plane which killed record-holding X15 pilot Joseph A. Walker and the bomber's copilot.

The XB70A's pilot, Al White, 46, ejected in "a capsule" sent Wednesday, suffering only bruises and shock.

Also killed was Maj. Carl Cross, White's copilot, whose body was recovered from his capsule ejection seat near the wreckage of the bomber.

The Air Force said it appeared Walker's chase plane hit the two-tall vertical stabilizers on the XB70A at an altitude of 25,000 feet. Both planes crashed near Brawley, Calif., 45 miles east of the base.

Walker, 45, had been training to fly the XB70A and was in one of several chase planes sent to observe the craft's performance. He held the world records of 4,044 m.p.h. and 351,200 feet set in 1962 and 1963 in the rocket-powered X15.

## Judge Rules Students Must Have Haircuts

LOUISVILLE, Ky. (AP) — If Bach, Beethoven or George Washington had attended Valley High School, they would have needed haircuts.

Jefferson Circuit Court Judge Marvin Sternberg made that point Wednesday in ruling that the school acted reasonably when it suspended John Hodge from classes last March for failure to cut his hair.

Hodge, 16, a musician had said "short hair would put me out of work after school." He obtained a court order allowing him to remain in school until the court acted on his suit.

Judge Sternberg said Principal J.C. Cantrell had notified all male students last fall about hair cutting requirements.

Sternberg noted Hodge had said that Bach, Beethoven and George Washington had worn long hair.

These people are not students at Valley High School," the judge said. He said Cantrell could have ordered them to get haircuts if they wished to stay in school.

TEARING-UP SIDEWALKS at O'Leary Junior High School began Wednesday. New walks at the school will be built along Sixth Avenue and along Shoshone Street North to the main entrance sidewalk. Richard (Dick) Roth, bulldozer driver, is dumping a load of concrete in a dump truck. (Times-News photo)

## Work on New Sidewalks at 4 T.F. Schools Under Way

New sidewalks and asphalt are to be installed at the Morningside School, Robert Stuart Junior High School, Twin Falls Senior High School and O'Leary Junior High, according to project foreman, Jack Craner.

Craner said the work, which began at O'Leary Junior High School Wednesday, will take about two weeks to complete, but he was not sure just what the cost would be. The work is being done by the J. A. Clauson Construction Co.

Craner said the concrete work was general, and was mostly to replace cracked and broken concrete at the schools. He said workmen have been having trouble at O'Leary Junior High School because of the sandy texture of the dirt under the concrete.

## New Food Booth Built by Club

RICHFIELD — A new food booth has been built by the Richfield Riding Club at the Outlaw Day, rodeo and arena grounds.

The permanent 12 by 16 foot plywood structure has a cement floor and is located between the bleachers.

Chutes for rodeo accommodations were made by the Riding Club men in preparation for the 12:30 p.m. Jackpot rodeo Saturday.

Riding clubs from the Wood River Association have been invited to participate in the parade and float entries are expected from surrounding towns to compete with local businesses and organizations.

Parade float winners will be announced at the arena events. Sheriff Thomas (Wild) Conner will act as announcer.

## Car Burns

SHOSHONE — A 1963 Ford sedan belonging to Michael Urrutia, was destroyed in a fire at 2 p.m. Tuesday, 12 miles north of Richfield.

His son, Daniel Urrutia, was working in the desert area making a survey at the time the fire started under the dashboard. According to investigating officer, Ronald Eggleston, state patrolman, Urrutia was unable to put the blaze out and there was no help close by.

## Streamlining of Boy Scout Structure Urged by Leaders

LONDON (AP) — A committee of Boy Scout leaders urged the organization today to scrap its short pants, drop the word "boy" from its name and take an interest in girls.

The committee's report, delivered after two and a half years of study, recommended a revolutionary streamlining of the worldwide organization founded in Britain by Lord Baden-Powell in 1908.

The 24 committee members — all of them under 45 — said in their report that the scouts need a new image.

Shorts, the report said, "are one of the most damaging aspects of our present public image. They are responsible for the scout movement being dubbed as a juvenile organization in which men drop back to boyhood level."

They recommended "mushroom-colored trousers, slightly tapered, with no cuffs."

The streamliners said scouts should wear berets instead of the old-fashioned army hats, and that the shorts and shirts should be green.

They also recommended: Scouting activities should be kept to a minimum and "out-

moded activities and childish games" should be abolished.

Senior and Rover Scouts should be called "venture Scouts," a name which is "vibrant, active and forward-looking."

Boy Scouts should be called Scouts.

"Venture Scouts between the ages of 18 and 20 should be meeting girls," the report declared, "to recommend a joint committee representing Venture Scout units and Girl Guide — Girl Scout — units to combine their activities."

### SIGNS BILL

ALBANY, N.Y. (AP) — Gov. Nelson A. Rockefeller has signed a bill to set up a \$10-million revolving fund to generate \$150 million a year to build private, low-income housing.

## Rupert City Council Hires Fiscal Agent

RUPERT — Members of the Rupert City Council have approved Lawrence Higgins to act as fiscal agent in financing the proposed law enforcement building, subject to approval by county commissioners.

Higgins, affiliated with the Continental Bank and Trust Co., asked to be named agent for his company and noted the cost of bonding would be approximately \$2.25 per \$100 on a \$50,000 issue or if a joint issue the cost would be about \$1.50 per \$100 on \$165,000.

Rupert Girls' State delegates were present to observe a council procedure during the regular meeting held Tuesday night at the city office.

Delegates include Judy Keith, Grace Kraus, Sharon Jacobico and Beverly Cribb.

Fire Chief O'Dell McLane invited members of the city council to a party in honor of Bill Cowell, who served many years as fire chief for Rupert. The event will be held Saturday evening in the Fire Hall.

Council members discussed the dangers of placing antennae too close to electric wires. It was decided an ordinance should be issued to cover such instances. Plans for housing for chlorine tanks at the sewer plant were presented by Jim Voeller of Hamilton, Voeller, Pocastello firm which serves as city engineer. The council advised

Voeller to complete drawing for the proposed chlorine room and a cost estimate for the next meeting. Plans for changing sewer pumps will be presented during the next meeting.

A request for additional help at the sewer plant was approved after a request was made by Gary Towell, and he was advised to secure an extra man at \$1.50 per hour.

Mayor Wendell Johnson reported the Rural Electric Co. would like to secure 30 customers to be located on Highway 25. The council decided to meet with the Rural Electric during the next regular meeting to discuss potential customers.

since the public works office will be vacated Jan. 1, 1967, application for the office of public works director will now be accepted.

Building permits approved by the council included the construction of a prefabricated house on 1st street for Gary Lloyd at a cost of \$12,100; G. P. McAllister, new room and garage at 315 E. 6th St., \$1,500; Lee R. Reedy for addition to residence at 1002 9th St. at a cost of \$300; Alfredo Vallejo, 412 Linden, one-room addition at \$100; construction of a family room for Austin Harrison, 3800 at 401 Walnut St.; Orval T. Smith, remodel residence, \$1,800; 125 foot by 85 foot addition

to "NU TDA" at 408 Oneida at a cost of \$45,000, and Larry Wright, remodel courthouse at a cost of \$8,532.10.

## Sign Convention

UNITED NATIONS, N.Y. (AP) — The United Nations has announced that Bolivia and Cuba have signed the international convention on the elimination of all forms of racial discrimination. The convention was adopted by the U.N. General Assembly last Dec. 21 and takes effect after 27 countries have signed it. Twenty-one have signed it but none has ratified it.

# Taxpayers Make Uncle Sam Nation's Numbers King

By JOSEPH R. COYNE  
WASHINGTON (AP) — Uncle Sam is the nation's numbers king and it's costing the taxpayers more than \$100 million yearly, at least count, to keep him on top of the heap.

In this case the numbers are statistics and the federal government yearly issues thousands of statistical reports in a daily, weekly, monthly, quarterly and annual basis on almost everything imaginable. The list runs from shipments of pills and farm pumps to the cost of a basket of groceries, number of unemployed persons and business investments.

"We do our best to keep or-

ders under control," said Howard C. Grievs, deputy director of the Census Bureau, the largest statistical gathering agency in government. Grievs said the bureau tries to hold the margins of error at no more than 5 percent.

On something like the bureau's survey of weekly retail sales, he said, nothing above a one per cent margin would be tolerated.

Business and labor organizations relying on such information agree generally that the government does a good job compiling statistics but disputes do arise in interpretation, emphasis and use.

"It's the interpretation we dispute," an AFL-CIO spokesman said in referring to the administration's voluntary wage-price guidelines which seek to limit wage increases annually to 3.2 per cent, representing increased productivity.

The AFL-CIO thinks the figure should be higher.

The labor organization said it has also disputed monthly unemployment figures published by the Labor Department because they don't state whether a man is employed full time or works only two or three days a week.

"We accept the validity of the actual numbers," the National

Association of Manufacturers said. "Statistics are more important in their interpretations."

The Chamber of Commerce said that teen-agers and other persons who are not heads of households are included in the unemployment statistics, a factor which could distort the result unless this is explained in making the figures public.

The NAM said limitations of data should be realized. "The unemployment statistics are not a measure of hardship," the organization said.

The statistics which came under the most recent attack were compiled by the Commerce Department's Office of Business

Economics and the Securities and Exchange Commission, which projected a 16 per cent increase in spending this year for plant and equipment.

Since this is a key economic pressure, the report got more than routine treatment, especially since a private survey of business investment plans made by the Lionel D. Edle Co. showed a larger increase, one which would be inflationary.

"We're not saying we're right and we're not saying they're wrong," said Louis J. Paradiso, chief statistician for the Office of Business Economics. "The Commerce Department uses, a

much larger sample and they use a relatively small one."

Paradiso said the government's projection is based on plans by about 10,000 firms which do more than half the spending for plant and equipment.

He said the department has a very good history of accuracy since it began compiling this information in 1945. "We caught downturns in 1954, 1958 and 1961," he said, "and the only year we missed it was in 1950 with the outbreak of the Korean war."

The survey last year, however, fell short of the mark. The department estimated a 12 per

cent increase over 1964 but the actual increase was later placed at 15.5 per cent.

A House post office and civil service subcommittee recently estimated that the government spent \$160.2 million gathering statistics during the fiscal year which ended last June 30, with 14,619 employees involved in the work.

RESEARCH PLAN SET  
PHILADELPHIA (AP) — The University of Pennsylvania and Princeton University will cooperate with the U.S. Army Electronics Command in a \$2.8-million research program on aviation electronics, a joint announcement says.

## Reliance Credit Has Annual Meet

The 21st annual meeting of the stockholders of Reliance Credit Corp. was held Wednesday at the office of the corporation in Twin Falls.

Wesley Robert W. Staph, Jr., Robert Bacon, Ernest E. Kelly and Robert J. Colner were elected to the board of directors.

It was noted that during the past year, Reliance Credit Corp. opened a new office in Gooding. The company now operates in six communities in Idaho and serves an area comprising nearly 50 per cent of its population.

**OFFICERS FOR OMEGA CHAPTER**, Beta Sigma Phi, Buhl, were installed during a potluck dinner meeting at the home of Mrs. Thomas McClain. From left are Mrs. Larry Voss, past vice president; Mrs. Albert Erikson, past president; Mrs.

## Social Events

**TUTTLE**—The Tuttle W. W. Club will host a picnic at 7:30 p.m. June 16 at the Hagerman Park. The dinner will be potluck, and those attending are asked to bring punch for their families and their own table service.

All local Ladies of Elks members are invited to attend an open meeting at the Does National Convention at 7:30 p.m. Monday at the Elks Lodge, Ogden. The invitation was extended by Mrs. Margo Egbert, Idaho Falls, deputy supreme president for the organizing of the Does. Members are welcome to attend the public installation of national officers set for 8 p.m. Thursday at the Ogden Elks Lodge. Reservation can be obtained by calling Mrs. Egbert at the Ben Lomand Hotel, Ogden.

## Mrs. J. Engel Gives Program For WSCS Unit

**HANSEN**—Mrs. Joseph Engel presented the program, "School Dropout Problem," at the Hansen Woman's Society of Christian Service Circle meeting at the home of Mrs. Hugh Sander-

son. It was reported the officers were retained. Mrs. Austin Moore is president; Mrs. Ralph Simmons, vice president; Mrs. W. C. Klutz, secretary, and Mrs. Thomas Steelsmith, treasurer.

It was reported by Mrs. Ralph Nelson, general WSCS president, a guest at the circle meeting,

## Coffee Hours Will Highlight Unit Program

**TUTTLE**—Coffee hours will highlight the summer activities for the Omega Chapter, Beta Sigma Phi.

Hostesses for the social coffee sessions will include Mrs. Gary Grindstaff, June; Mrs. Perry Hanso, July; and Mrs. Gary Post, August. The chapter will operate a booth in the Jaycee sponsored Sagebrush Days Fourth of July celebration.

It is noted four members had attended the state convention held recently in Boise. Those attending were Mrs. Albert Erikson, Mrs. Donald Wavra, Mrs. Gary Grindstaff, Mrs. Larry Voss and Mrs. James H. Shields, international honorary member.

Installation ceremonies for new officers were featured following a potluck dinner at the home of Mrs. Thomas McClain. Serving for 1966-67 are Mrs. Donald Wavra, president; Mrs. Richard Bencken, vice president; Mrs. Larry Shark, secretary; Mrs. Gary Grindstaff, treasurer; Mrs. Gary Meyer, extension officer, and Mrs. Vernon Rodig, parliamentarian and sergeant-at-arms.

that five women plan to attend the School of Christian Missions July 11 through 15 at Caldwell.

Mrs. Mae Marek and Mrs. Grace Heisterman, both Wellpope, Iowa, were guests.

The July 6 meeting is at the home of Mrs. Austin Moore. Mrs. W. I. McFarland is program chairman.

Donald Wavra, president, and Mrs. Richard Bencken, vice president. Coffee hours will highlight the summer activities for the Omega Chapter. Mrs. Gary Grindstaff is hostess for the June coffee hour. (Times-News photo)

## Magic Valley Favorites

DONITA KUHN

1135 Washington St., Gooding

### Hamburger Boats

1 pound hamburger  
1 teaspoon salt  
1/2 teaspoon pepper  
1 tablespoon butter  
4 hot dog buns  
2 slices processed cheddar  
Mix the hamburger, salt and pepper together. Split the buns. Butter buns and spread each half with hamburger mixture. Put under broiler so the tops are two to three inches from the heat and broil until the meat is brown, about three minutes. Cut each slice of cheese in

four triangles. Remove hamburger boats from broiler and place a cheese sail on top of each. Serve immediately.

(The Times-News will pay \$5 each week for the best recipe submitted for Magic Valley Favorites. If you have a favorite recipe, just mail it to the Recipe Department, Women's Page editor. The recipe becomes the property of the Times-News and cannot be returned.)

## Buhl Women's Club Schedules June Meeting

**BUHL** — Rebekah Konington will meet Tuesday at the Odd Fellows Temple, with Mrs. Mabel Ripley and Mrs. Floyd Hardwick to serve as hostesses for the 2 p.m. August luncheon.

The program will feature interesting facts about the American flag. Mrs. A. G. Blawell, Shoshone, president, will present a special ceremony for the occasion.

Prize winners for the May luncheon meeting were Mrs. Elizabeth Homling, Mrs. Ella Woodruff and Mrs. D. W. Rowenpinoche, and Mrs. Roy Lively, Mrs. Bessie Gilmore and Mrs. Henry Kramer, whoopee winners.

The courtesy report allowed 20 calls were made to the hospital and nursing home, 14 calls to shut-ins, and 36 cards have been sent. A card was signed and sent to Mrs. William Sample.

Mrs. Elizabeth Homling thanked members for the gift cards and calls during her illness. Mrs. Woodruff and Mrs. Lee Shaver expressed gratitude to Mrs. Blawell for the friendship cards sent them.

The luncheon was hosted by Mrs. E. A. Owens and Mrs. Blawell. Tables were enhanced with spring floral arrangements and lace doilies with floral place cards marking each place setting. Places of interest visited were reviewed by the membership.

## Dinner Held

**SHOSHONE** — Mr. and Mrs. Clifford Stutzman hosted a dinner in honor of their son, Wayne, Twin Falls, who was observing his birthday anniversary.

Guests were present from Twin Falls, Gooding and North Shoshone.

## 26th State Convention Held in Burley

BURLEY — The Delta Kappa Gamma Society held its 26th state convention at the Fonderosa Inn, Gamma Chapter, with members from Casula and Minidoka Counties, as the host chapter, with Mrs. Raymond Reid, president, in charge of arrangements.

Convention theme was "You may not be what you think you are, but you are what you think." The 1965-66 program focus was "The Nature and Nurture of Creativity." Their basic ideals are friendship, loyalty and happiness.

Special honored guests were Mrs. Helen H. F. Squire, Wash., Northwest regional director; Elsie Ingren, Twin Falls, International parliamentarian and past Alpha Nu state president; Mrs. Cornelia Holmes, member of the international committee on publication and publicity, past Alpha Nu state president; Mrs. Pauline Stroschein, Sterling, Alpha Nu state president; Irene Smith, Idaho Falls, first vice president; Blanche Seft, Sandpoint, second vice president; Mrs. Margaret Stuyven, Jerome, recording secretary; Mrs. Nao m l Christensen, Springfield, corresponding secretary; Mrs. Helen Dietz, Buhl, treasurer, and Mrs. Anna Germa, Kellogg, parliamentarian and past state president.

Registration was followed by a no-host executive board dinner in the Ponderosa Inn Conference Room.

General session opened with a flag ceremony by Ray Seid, Troop No. 110, Burley, LDS Church, directed by Owen Weid, troop master.

Mrs. Ada Condie, Preston, Idaho president, gave the invocation. Mrs. Reid presented greetings to the convention. Welcome to Burley was given by Mayor Joseph Peters. Response was given by Mrs. Oran Nield, Paul, general convention chairman.

Committee reports were heard on membership, scholarship and program.

A memorial service for ten members who have died in the past year was held, under the direction of Mrs. Gladys James, Caldwell.

Group meetings were held on society business, directed by Mrs. Seft and Mrs. Dietz; programs by Miss Smith and Miss Ingren, and educational service by Mrs. Rowland and Mrs. Holmes.

The 25th anniversary luncheon held in the Rupert Elks Lodge, honored "state founders and state officers." Grace was given by Mrs. Nadine Tucker, Boise, Omicron president. Group singing was led by Frances Long, Boise, state music chairman.

Birthday ceremony was directed by Alpha Chapter, Boise. Luncheon speaker was Miss Lindgren, speaking on "Dust-

A PARIS MODEL DISPLAYS a silver plastic overall which designer Jean Pierre Weinberger offers for weekending on the moon in the year 2000. Dubbed "Skinnauts," the outfit was inspired by astronaut John Glenn's recent visit to the French capital. (AP wirephoto)

ing the Stars." Miss Lindgren urged members to keep up with the changing world; in education. "Keep reaching for higher things and do not lose sight of the beauty of the world," she stated.

Table decorations and programs for the birthday luncheon were provided by Theta Chapter, Gooding. The founders ceremony was directed by Kappa Chapter, Weiser.

The presidents banquet was held in Driftwood Dining Room, with Miss Smith presiding.

Special achievement awards were presented to Mrs. Gladys Stewart, Boise, state founder and past state president, and Miss Lindgren.

Dinner speaker was Mrs. Hal-ler. Her topic was "Delta Kappa Gamma in Living Color." Table decorations were fur-

nished by Gamma Chapter, Burley. Favours were made by Mrs. Chris Hansen, Paul, and programs were made by Xi Chapter, Twin Falls.

It was announced that the northwest regional convention will be held July 12 through 16 at Anchorage, Alaska, and the international convention will be held Aug. 8 through 13 in Cleveland, Ohio.

REUNION HELD

KING HILL — Mr. and Mrs. Thomas Timbers were hosts at a family reunion and picnic at Thousands Springs, Resort in honor of Frances Ash, Clair Ash and Mr. and Mrs. Wesley Lang-

don, Redondo Beach, Calif.; Mrs. Carl Hauser, Richwood, Calif.; and Mr. and Mrs. Virgil Nichols and daughter, Oakland, Calif.

## Dawn M. Sears Is Engaged to A. Middleton

BUIH — The engagement of Dawn Marie Sears to Albert R. Middleton, son of Mrs. Gene McDaris, Buhl, is announced by her parents, Mr. and Mrs. M. J. Sears, Newport, R.I.

The bride-elect was graduated from Rogers High School and is employed at Transcom, Inc., Newport.

Middleton was graduated from Buhl High School and has served the past four years in the Navy. He is serving aboard the submarine USS James K. Polk, stationed in Groton, Conn.

An August wedding is planned in the St. Augustine Catholic Church, Newport.

## Rupert Couple Will Observe Anniversary

RUPERT — Mr. and Mrs. William Ray Moon will celebrate their Golden Wedding Anniversary from 12-23 to 5 p.m. Sunday at their home at 815 B St.

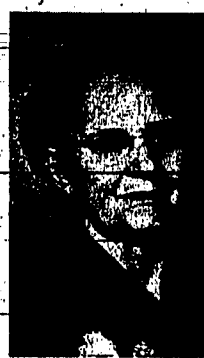

The event is being hosted by the couple's sons and daughters. An invitation is extended to all friends and relatives. The couple requests no gifts.

Mr. and Mrs. Moon were married June 21, 1916, and moved to a farm east of Rupert in 1935. They farmed for several years and then moved into the town of Rupert and Moon worked for the Annamann-Sugar Co. and on the Rupert City Police Force.

They are the parents of 11 children, 10 of whom are living. They have 35 grandchildren and 28 great-grandchildren.

MR. AND MRS. WILLIAM R. MOON

## Rose Chain Presented to Magic Chapter

The worthy grand matron's "Rose Chain" was presented to Magic Chapter No. 82, Order of Eastern Star, by Buhl Chapter No. 38 during a regular meeting at the Masonic Temple.

The "Rose Chain" will be taken to Grand Chapter by Magic Chapter No. 82 when it convenes in Boise.

Visitors introduced and welcomed were Mrs. John Mulder Jr., past matron, Florence Chapter No. 79, Challis; Helen Buggs, worthy matron of Buhl Chapter No. 38; Mrs. Thomas Grey and Mrs. Leona Hann, Chapter No. 20; Helen O'Conner, Chapter No. 403, Los Angeles, Calif.; and Lucille Huston, Buhl Chapter No. 38.

Mrs. Robert Watson announced that more members are needed for the pinhole and bridge marathon. Interested persons can call Mrs. Watson.

Mrs. N. Webb, worthy matron, asked the worthy patron to read a poem as a tribute to the flag in honor of Flag Day.

Spectra introductions were given to Floyd Bandy, grand high priest, Grand Chapter, Royal Arch Masons of Idaho; Webb, excellent grand sentinel of the Grand Chapter, Royal Arch Masons of Idaho; Mrs. Hann, president of the Social Order of Beauceants, and Mrs.

Blandy, color bearer of Social Order of Beauceants.

Members attending Grand Chapter were introduced. They include Mrs. Leon Littlefield, Mrs. Howard Ehrenman, Mr. and Mrs. Webb and Mr. and Mrs. William Grange.

Refreshments were served by Mr. and Mrs. Joseph McMillan, chairman; Mr. and Mrs. James Page, Helen Bobler, Mrs. Harold Brown and Mr. and Mrs. Carl Kobel.

CTING SIGN for the new Twin Falls Chamber of Commerce building and Western Sign Advertising Co. employees. Ray Rostron, chamber secretary-manager, said he expects to move into the new building within 10 days. Gene Federico, employee of the sign company, is shown installing the sign. (Times-News photo)

## Chamber of Commerce Will Move Into New Building

Twin Falls Chamber of Commerce expects to move into its new building on Shoshone north within 10 days, according to Ray Rostron, secretary-manager.

## Chamber of Commerce Will Move Into New Building

The laying of tile and the electrical work. The new neon sign was placed on the building's front Wednesday and the finishing touch to the modern structure, which is being built by the Ulfman Construction Co. Rostron said the chamber is leasing the building from the Shoshone Building, Inc. He said he now has a five-year lease on the building, and also has the option to renew the lease when it expires.

## Chamber of Commerce Will Move Into New Building

Rostron said the Chamber of Commerce is the "front door to the community," and he feels it is important to give newcomers and visitors to Twin Falls a favorable first impression of the city. He said he "wouldn't even want to guess" how many people come to his office every year, but he said he has more than 11,000 pieces of mail this year.

## Chamber of Commerce Will Move Into New Building

The new building is landscaped in gravel and concrete and is up to date with the most modern of building. The front is red brick with large windows and the inside is a pleasant place to visit or work, according to Rostron. "I would take anyone to the new building, and I mean anyone," Rostron said.

## Chamber of Commerce Will Move Into New Building

Twin Falls police said they will use the space currently being occupied by the chamber. They said they are not sure, just now, what the space will be used for.

## Chamber of Commerce Will Move Into New Building

Three area nurses will be attending the National Convention for Nurses next week in San Francisco.

## Chamber of Commerce Will Move Into New Building

Mrs. Fred Powers and Mrs. R. S. Honderich, both Twin Falls, and Mrs. Fred Braga, Gooding, will leave this week-end for the five-day convention.

## Chamber of Commerce Will Move Into New Building

All are members of the Idaho State Nurses Association district one.

## Meat Inspector Honored on Retirement After 54 Years

Sixty-two meat inspectors and representative from packing plants at Twin Falls, Buhl, Filley, Wendell and Rupert attended a banquet at the Holiday Inn Wednesday evening to honor Dr. Elmo P. Coburn upon his retirement after 54 years as a veterinarian and six years as state meat inspector for Magic Valley.

Dr. C. H. Kennedy, Boise, meat inspector for the state of Idaho, addressed the group and spoke on his experiences as a meat inspector. Otto Florence, Independent Meat Co., also spoke to the group.

Dr. Coburn was presented with a piece of luggage. Dr. Coburn was born in September, 1882, in Wellsville, Utah, where he attended grade school and high school. He spent three years at Utah State University, Logan, and was graduated with a degree in Doctor of Veterinary Medicine from Kansas City Veterinary College, Mo., in 1912.

In 1916, he was called into service on the Mexican border with the Utah National Guard. He remained in the service and advanced to the rank of captain.

He was division veterinarian in Ft. Devens, Mass., where he organized the Division Veterinary Service when the war ended. He served with the Cavalry, the 1st Artillery, the Horse Purchasing Board in Kansas City, Mo., and in California, and was sent to Ft. Ringold, Tex. From there he was sent to Ft. Douglas, Utah, for discharge in 1921.

Dr. Coburn sold drugs in Iowa for the next five years, and then went into practice in Richmond, Utah, where he was chairman of their Black and White Show in 1931, when it

reached the status of the largest livestock show in the United States.

He resigned as chairman in 1932 and took a position as a veterinarian inspector in the meat inspection service in Chicago. He served there and in Milwaukee, Wis., for eight years.

Dr. Coburn went to St. Anthony, where he practiced for 20 years. While there, he served one term as mayor of St. Anthony, Fremont County Chairman of Civil Defense, and as chairman of the Red Cross Financial Committee.

While in St. Anthony, Dr. Coburn made connections with the Idaho Meat Inspection unit, and in 1940 he became the meat inspection supervisor for southern Idaho, with headquarters in Twin Falls, where he has spent six years as supervisor.

Dr. Coburn is a charter member of the Intermountain Veterinary Medical Association, and he served as chairman of the Constitution and By-Laws Committee. He wrote the constitution and by-laws, which still are in effect.

While living in Brigham City, Utah, he married Marie Brandley Nov. 21, 1912. One daughter died shortly after birth. They have four sons. The oldest son, Richard K. Coburn, is head of the mathematics department at the LDS Church College of Hawaii, Honolulu, and the chairman of the Hawaiian Islands Committee for the National League.

Elmo P. Coburn, Jr. is the manager of a grocery store in Idaho Falls. Donald B. Coburn is a nuclear engineer in General Dynamics, San Diego, Calif. Dr. and Mrs. Coburn are moving from Twin Falls shortly.

## Resolution Discussed at Legion Meet

Dale Patterson introduced, during the Tuesday American Legion meeting, a resolution opposing House Bill No. 1044.

This is an administrative bill, if enacted, will limit or eliminate the Veteran's Administration burial allowance of \$250 for veterans who served during an armed conflict.

Rudy C. Ashenbrenner discussed his recent tour to the Air Force installations in the European Command.

The membership was told of the American Legion sponsored ball club and the invitational tournament to be held Friday, Saturday and Sunday.

## Chamber of Commerce Will Move Into New Building

Twin Falls Chamber of Commerce expects to move into its new building on Shoshone north within 10 days, according to Ray Rostron, secretary-manager.

## Chamber of Commerce Will Move Into New Building

The laying of tile and the electrical work. The new neon sign was placed on the building's front Wednesday and the finishing touch to the modern structure, which is being built by the Ulfman Construction Co. Rostron said the chamber is leasing the building from the Shoshone Building, Inc. He said he now has a five-year lease on the building, and also has the option to renew the lease when it expires.

## Chamber of Commerce Will Move Into New Building

Rostron said the Chamber of Commerce is the "front door to the community," and he feels it is important to give newcomers and visitors to Twin Falls a favorable first impression of the city. He said he "wouldn't even want to guess" how many people come to his office every year, but he said he has more than 11,000 pieces of mail this year.

## Chamber of Commerce Will Move Into New Building

The new building is landscaped in gravel and concrete and is up to date with the most modern of building. The front is red brick with large windows and the inside is a pleasant place to visit or work, according to Rostron. "I would take anyone to the new building, and I mean anyone," Rostron said.

## Grandparents

BURBANK, Calif. (AP)—Ozzie and Harriet Nelson of the former television series "The Adventures of Ozzie and Harriet" are grandparents for a third time.

June Nelson, wife of the couple's son David, gave birth in Burbank to an 8-pound, 2-ounce son, James Eric.

David and June have another son, 3. The elder Nelsons' other son, Ricky, and his wife, Kristin, have a 2-year-old daughter.

## Aide Deplores Polish Action

WARSAW, Poland (AP)—U.S. Ambassador John A. Gromkowski deplored the Polish government's decision Wednesday to expel two military clerks at the U.S. Embassy.

The clerks, Sgt. Stuart Engstrom of Green Bay, Wis., and Ralph Ochs of Williamson, W.Va., were ordered to leave within two weeks. The government claimed they were engaged in "activities contrary to their official status."

## Violent Storm Claims Life Near Chicago

ARLINGTON HEIGHTS, Ill. (AP)—A violent wind and rain storm caused one death and widespread damage today in suburbs northwest of Chicago. Ten persons were reported injured.

The storm spread a wide damage path through sections of Glenview, Arlington Heights, Mount Prospect, Wheeling, Palatine and neighboring communities.

Glenview Naval Air Station reported a maximum wind gust of 64 mph during the storm. Unofficial estimates were up to 100 m.p.h.

The heaviest damage area was mostly about 20 to 25 miles northwest of Chicago.

Throughout the damage area, large trees were uprooted, and power lines snapped.

Darlene Hellogg, 3, of Wheeling, was killed when a gust overturned a house trailer near her home.

## Knowledge of Tornadoes Saves Lives

NORMAN, Okla. (AP) — Buildings blasted apart like playing cards, houses, trees and cars like discarded match sticks, homes and lives shattered in a few moments of uncontrolled violence.

Such scenes are created throughout the Midwest and Southwest each year by one of nature's most dreaded excesses — the tornado which can sweep from almost any severe thunderstorm.

Nothing known to man can control the ravages of the killer winds — but greater knowledge of the forces which generate the twisters' deadly vortex is saving more lives each year.

The United States, using facilities centered in the university city of Norman, is in the thick of an ambitious study of thunderstorms, squall lines and tornadoes.

The studies at the Norman Severe Storms Laboratory already have led to improved predictions which weather experts are using to give advance notice of threatening storm systems.

The tools of the study are many — ground-based radar systems, balloon-borne radio devices, visual sightings, and reports from airplanes which fly into, around and over the storms.

Guided by radar-watch teams on the ground, Vander-Huevel makes repeated runs through developing storms.

The equipment packed into the nose and cockpit of the plane is used to collect and monitor the forces and atmospheric conditions.

The major is operating under some strict limits because a pilot last year flew into a storm bearing baseball-sized hail.

Frank Dechirles, in charge of maintenance of the Rough Rider aircraft, said the bullet-proof glass on the cockpit was shattered; there were giant holes in the wings and body, and pieces of the wing cover peeled off.

"I've been in combat situations and I've never seen an airplane come back damaged like that plane," he said.

In addition to the Rough Rider flights, an equipment-weighted DC-8 will fly around the storms to record peripheral information while a U-2 flies over the tops of

the storms, which observers say can shoot up thousands of feet in a minute's time.

"No one knows how fast the circular winds in a tornado blow," said Gene Lee, coordinator of aircraft study at the lab in Norman.

"We've never been able to get direct readings on the winds of a twister," Lee said. "Our airplanes can and do fly into hurricanes, but hurricanes have straight winds and seldom blow over 100 miles an hour."

"Tornadoes have vicious circular winds which we think can blow 200 to 300 miles an hour." The study will wind up sometime in June, since this is the period of greatest tornado activity, although twisters have been known to occur any time of the year.

Thursday, June 9, 1966  
Twin Falls Times-News 13

"No other country has severe storms like the United States," he said. "We just couldn't have picked a better place."

Tornadoes are most frequent in northern Texas, Oklahoma, Kansas and Missouri. Records show that tornadoes have claimed an average 197 lives a year over the past 48 years.

During their most frightful blow, tornadoes killed 689 persons in Missouri, Illinois and Indiana on a terrifying sweep on March 18, 1925.

From 1875 through 1965, records show 1,432 tornadoes in Oklahoma, with 1,076 persons killed. The most deadly storm to strike Oklahoma passed over Ellis and Woodward counties on April 8, 1947.

Cutting a swath which ranged up to two miles in width, and hitting portions of Oklahoma, Texas and Kansas, the storm struck Woodward, in western Oklahoma.

## Actor Listed As 'Good' After Mishap

BEVERLY HILLS, Calif. (AP) — Veteran actor Edward G. Robinson, 72, was in good condition today in Mount Sinai Hospital after an auto accident. Robinson underwent surgery Wednesday night for rupture of abdominal blood vessels, causing internal hemorrhaging. The 4½-hour operation stopped the bleeding, doctors said. The actor is under intensive treatment. He is expected to be discharged in about two weeks, doctors said. Robinson told police he apparently fell asleep at the wheel of his car, and it jumped a curb, careened across four lawns and slammed into a tree.

## Buffalo Hunt Is Held in Washington

YAKIMA, Wash. (AP) — Out where the sagebrush puts a tang in the air and a body can see a pile of miles without scratching his outlook on barbed wire there was a buffalo hunt June 6, 1966. Fact, about a dozen modern frontiersmen sneaked up on a herd of 14 buffaloes (that's mountain men talk, son) and Walter Klepels dropped a seven-year-old bull with one 200-grain hollow point bullet from his trusty 30-06 rifle.

Klepels is a former Army major who has hunted big game all over the world. He won the right to be buffalo executioner in a contest held when the Yakima Valley Sportsmen's Association decided to hold a buffalo barbecue to help raise funds for junior athletic programs. The hunt was purchased from the Flying Y Ranch on a bring-your-own-gun basis. The Flying Y has been hunting bison since 1926, selling them to zoos and butcher shops and clubs with a desire for an unusual banquet. "I thought it would be like shooting in a zoo," said Klepels. It wasn't. An advance scout spotted a herd of 14 and reported it included two bulls of proper age.

Leaving the cars they had ridden to the area, the hunters worked down the brushy hillside in cautious silence, finally halting in a sagebrush clump about 60 yards from the herd. Klepels chose the target best and waited until it moved clear of obstructing growth. Then he squeezed off one shot, aiming just behind the shoulder, and the young bull never knew how it got to the barbecue.

## Nationalism Seen In Pact Nations

WASHINGTON (AP) — A Senate subcommittee reports new signs of nationalism among Warsaw Pact nations. It said this trend could further reduce Russian authority over Eastern European states. The study by the Senate government operations subcommittee on national security added, however, it would be unrealistic to suppose that Russia will cease to play a predominant role in Warsaw Pact affairs. It said efforts to ease pressures caused by the rising nationalism could result in some type of reorganization of the pact structure.

## State Government Hearings End

BOISE (AP) — Two days of hearings by legislative council subcommittee studying Idaho state government reorganization ended Wednesday. But Moran Schlechte, council director, said Wednesday the subcommittee on state government reorganization wants to hear from additional state agencies.

ASKS AUTHORITY SAN FRANCISCO (AP) — Pan American World Airways says it has asked the Civil Aeronautics Board for authority to fly from San Francisco to Moscow, via Tokyo.

TEDIOUS WORK of changing 17,000 tax assessment cards began Wednesday in the office of the Twin Falls assessor, Clifford Thompson. Thompson said the assessment cards will have a two per cent increase added to them because of the 20-20-40 bill passed by the last legislature. Mrs. Dolores Molesworth, seated, in charge of checking the cards, is working on one of the first cards to be changed. Thompson, standing, is checking through a stack of the cards. (Times-News photo)

## Changing of Assessment Cards Under Way in T.F.

A two per cent increase of the full value of real and personal property is currently being added to taxpayers' assessment cards in accordance with the new 20-20-40 bill, according to Clifford Thompson, Twin Falls County assessor. Thompson said the project, which began Wednesday, will increase the ratio of assessment from 14 per cent in 1966 to 16 per cent of full cash value of real and personal property by 1967. Thompson said his office is computing this by using the same full cash value arrived at in compliance with the 20-20-40 bill.

The 20-20-40 bill itself requires that each of Idaho's 44 counties reach an equal real personal and utility taxation level of 20-20-40.

"The assessor's office has no responsibility whatsoever in establishing a rate of tax. My responsibility is solely that of establishing a market value. Should there be any increase in the amount of tax in 1966 or 1967 the assessor's office is not the proper place to place a complaint."

Thompson said persons who have complaints should go to the source at such places as city offices, school districts, highway districts, or county offices. According to Thompson, in accordance with the 20-20-40 bill, the responsibility of county tax levies will be in the hands of the county commissioners.

Thompson said the current property values, arrived at during Twin Falls County's recent revaluation, based on the 57-61 assessment method. The 57-61, according to Thompson, means values are arrived at on the basis of 1937-61 building and labor costs. Thus far about 10

## FCC Rule Over CATV Is Approved

WASHINGTON (AP) — The House Commerce Committee approved today the administration's request that the Federal Communications Commission be given authority to regulate Community Antenna Television (CATV) systems. The committee cleared, by a 21-16 vote, a bill that would write into law the authority assumed by the FCC over CATV systems last winter. However, the bill prohibits the FCC from setting rates for CATV systems may charge their subscribers.

CATV systems operate by using large antennas to receive television programs from commercial stations and feed them over cables into the homes of paying subscribers. The bill prohibits origination of programs by CATV systems except in limited exceptions, such as weather and news programs. This provision is designed to prevent CATV systems from being used as a springboard for pay television operations.

of Idaho's 44 counties have revaluated on this basis. In a prepared statement the county commissioners announced that, according to Idaho Code statutes, they will sit as a board of equalization for all real and personal property assessments. Morris Carlson, commission chairman, said this will be done from June 27 until July 11.

The commission said, "Because of the provisions of the 20-20-40 bill passed by the last session of the legislature it has become necessary that the assessment ratio be raised each year until 20 per cent of the actual cash value is reached. This is an act of our legislature and we (elected officials) in the courthouse which includes the county commissioners, county assessor and county clerk, have to abide by the law as enacted."

They also noted that, because of the 20-20-40 bill, some widows and other people who have had tax exemptions may not be eligible because of the raise in assessed valuation. The tax levies will be set the second Monday in September. In concluding, Thompson said, "I am always willing and anxious to discuss with taxpayers, what we consider to be market value of their property."

## Hagerman Board Keeps Aide

HAGERMAN — Frank Hagerman has been named chairman of the Hagerman school district trustees, and Bob Adolf, treasurer, it was reported Thursday. Their men held this same office the last term.

The trustees voted to rehire the hot lunch cooks, Mrs. R. K. Bendorf and Mrs. John Kelly. They also re-hired Henry Arthorn and James Holt as janitors. Mrs. Rex McNulty was rehired as clerk.

They voted to hold the meetings in July and August on Fridays, which will enable Supt. George Carnie to be here, as he will be attending Utah State University. Meetings will be July 8 and Aug. 5 at 8:30 p.m.

The trustees voted to participate in the title three NDEA in elementary language arts, elementary social studies and secondary science departments. Supt. Carnie was authorized to obtain bids and have installed electrical outlets in the high school class rooms.

The state accreditation report received from the office of State Supt. D. F. Engolkling was read. Hagerman was given a state accreditation for secondary schools, with the need for more facilities in the science laboratory and library. A statistical report was given comparing Hagerman with the average school in the state of its size of 100 to 199 students. There are 31 such schools in the state.

The state average in equipment value per pupil is \$260.80, but Hagerman has \$109.04. The state average number of library books per pupil is 20.26, while Hagerman has 28.50. The teacher pupil ratio for the state is one teacher per 15.0 pupils. Hagerman has one teacher per 12.72 pupils.

The average state class size is 19.09, Hagerman's is 15.78.

The percentage in teacher turnover in the state is 27.54, Hagerman's is 9.09. All high school teachers are taking an inservice training course this week to acquaint themselves with the fundamentals of the Individualized Learning Center. Each teacher will make a list of equipment needs for each section of the learning center. This is being conducted by Supt. Carnie, and Dorothy Phelps, coordinator of the new ILC, who arrived Tuesday.

## Draft Quota Set

BOISE (AP) — An Idaho draft quota of 40 men for August was announced Thursday by Maj. Gen. John E. Walsh, state director of Selective Service. Idaho's quota in August, 1965, was 44 men, Walsh said.

# Football Loops to Merge Into 26-Club Circuit With Rozelle as Commissioner

NEW YORK (AP) — The National Football League and American Football League announced plans Wednesday for a merger into a giant circuit of 26 teams in 25 cities under a single commissioner. The commissioner will be Pete Rozelle of the NFL who, according to the joint announcement, will administer all inter-league business under a structure similar to major league baseball. The actual merger will not take place until 1970 after existing contracts expire. Until then, the two leagues will continue to operate separately — 15 in the NFL and nine in the AFL — with Al Davis remaining as AFL commissioner for that period. They will not be permitted to engage in inter-league trading of players.

## Merger Won't Affect Gogolak Contract

NEW YORK (AP) — Placekicker Pete Gogolak's contract with the New York Giants will not be affected by the planned merger of the National Football League and American Football League, Commissioner Pete Rozelle said Wednesday. The NFL commissioner, who becomes supervisor of both circuits in the joint plan, made the statement at a hastily called news conference following the official announcement.

## Sports

FROM ALL ANGLES

By LARRY HOVEY

Prestige and competition had their brief day but in the end it was that old nerve on the hip—the pocketbook—that brought the professional football club owners together. With their burgeoning TV contracts, they pointed directly into their own coffers, undoubtedly they are looking forward to some very great years. In fact, if any of the clubs had stock, they would be up on Wall Street's big board, we'd predict a 15-point jump immediately. The reason? There's only one—a common draft.

Meanwhile, back on the campus there are several dozen boys who just last week were one-half million dollars. With the raiding, fighting and bidding all over, this year's crop of collegians can look forward to a lot of "here it is, Buster, take it or leave it" at the pre-league price of \$5,000 per year.

And like Ray McDonald, who Idaho Coach Steve Muscarello is willing to bet his house will be the No. 1 pick, goes from \$500,000 to something like \$15,000. Pretty good, true enough, but we haven't heard any of the owners offering out some money to help with the tuition. The television networks for weekly pressbox space.

The AFL has to pay the NFL some \$18 million indemnity. Big deal. That's about a year and one-half of the going TV gravy rate. Everyone in professional football likes to point to the anti-trust (albeit shaky now) that baseball enjoys. While one can hardly find himself in complete sympathy with the baseball owners at least they're still pumping out some money to their talent. The football boys take the fruits of the college (and service) labor and cash it in immediately. We hardly feel they need the same prospects from all the baseball owners do, if indeed baseball needs it as badly as it says.

It still surprises here that the average working man is against these bonuses, based mostly, it is assumed, on his average take home pay. Perhaps they don't realize that in half-time there's a "mean line" in which the injured stand, point to the sore spot and are injected with pain killer so they can go back out and get banged up some more.

The quotes from the owners involved make nice reading. One says the merger "restores sanity and balance to what was becoming a chaotic situation." Another, "we feel that the common draft is common sense."

There is one overriding factor. If there ever was a year for a good football player to graduate, the spring of 1969 was it. Going further, can you imagine consternation this causes the young men who were drafted and eligible to sign this spring but instead chose to stay at the old alma mater for another year?

He was flanked by Tex Schramm, owner of the NFL Dallas Cowboys, and Lamar Hunt, owner of the AFL Kansas City Chiefs, as he faced news and television questioners in a midtown hotel.

"Gogolak's contract was received, and we waited 10 days for any disapproval," Rozelle said. "It was not disapproved, so it will stand."

It was Gogolak's action in playing out his option with the AFL Buffalo Bills and then jumping to the NFL that helped trigger an incipient talent and money war between the two circuits.

"The Gogolak case had nothing to do with it," the commissioner said. "Negotiations between the two leagues began long before the Gogolak signing (May 17). Talks between Hunt and Schramm started last March."

The three officials were questioned about the future of Al Davis, new commissioner of the AFL, who recently signed a five-year contract for a reported \$50,000 a year.

"I'll let Hunt answer that," he said, referring to the Kansas City owner and founder of the AFL.

"We would like Davis to remain," Hunt said. "However, it is a decision he must make himself. He hasn't said what he would do."

While Davis declined comment, unofficial word was that he could not be fitted into the new plan because of his opposition to the agreement. Friends said the former Oakland general manager and coach probably would return to coaching.

Although the statement of the merger said the two leagues would operate separately until TV contracts run out at the end of 1969, Rozelle said:

"I am commissioner of both leagues, and I am now."

Asked if he was worried that the merger might bring anti-trust action from the Justice Department, Rozelle replied: "We have talked with Sen. Humphrey, D-Mich., and Rep. Heller, D-N.Y., who are chairman of the judiciary committee in their particular houses. 'I feel this realignment certainly isn't a risk and isn't unwarranted. Football is a sport with certain business aspects. I don't see where enlargement makes it more of a business.'"

Rozelle was asked why the AFL was forced to pay the NFL \$18 million over a 20-year period plus giving up the money for both of the two new franchises contemplated, including that in the AFL.

"A portion of it must go to the New York Giants and San Francisco 49ers for encroachment on their territorial agreements," the commissioner said. "We did the same for Washington when we moved a franchise into Baltimore."

"Also, our owners felt that, in recognizing and joining with the AFL teams, we were adding value to their franchises."

Hunt was asked whether the agreement received united support from AFL owners.

"Almost every point discussed had some owner not in favor of it," the Kansas City owner said. "The Justice Department will vote for acceptance."

Rozelle said the present television contracts would be kept in effect — the NFL with CBS and the AFL with NBC — and that new contracts would be negotiated for 1970.

"We would like to continue exposure with two networks," he added.

**Second Ace**

Lynn Stewart, Twin Falls, scored his second hole-in-one on the second Wednesday afternoon at Blue Lakes Country Club.

He got the ace using a six-iron on the 15th hole. Witnessing the feat were Henry Colner, Charles Colner and Glenn Cleland, Portland.

Stewart scored his first hole-in-one this year on March 5 at Blue Lakes.

Of course, there'll still be some errors but in boys like Leo Pinnick from Billings and others, those attending the invitational will be seeing talent that is certain to turn professional before long.

There was a chance Friday, Saturday or Sunday night, but it went through the high school season with only one loss to any of the other contenders.

THREE WINNERS in the Idaho State Junior Bowling Tournament are, from left, Vicki Mahler, first place in girls singles, junior division; Rosalynn Wagner, third place winner in girls singles, junior division, and Rick Turner, member of the second place team in boys junior division. Mike Hatch, fifth place winner in boys singles, and John Gleaser, member of second place team in boys junior division, were not available for pictures. All are from Twin Falls and bowl at the Magic Bowl. The state tournament was held in Mountain Home. (Times-News photo.)

HOLDING TROPHIES WON in the Idaho State Junior Bowling Tournament held last month in Mountain Home are, from left, Gary Braun, member of second place team in boys junior division; Dave Livingston, first place winner in boys singles, and Art Braun, another member of second place team in boys junior division, all Twin Falls. (Times-News photo.)

## Pro Football Officials Express Satisfaction With Settlement

By The Associated Press

The Detroit Lions, one of the main targets of American Football League raiding attempts over the past several weeks, hailed the planned merger between the AFL and National Football League as "restoring sanity and balance to what was becoming a chaotic situation." Four of the Lions players, including star tackle Alex Karras, reportedly had been contacted by AFL clubs recently. In the prepared statement, the Lions said:

"We feel that the common draft is common sense and are looking forward to playing teams in the other league. It is the start of a new era. Pro football now will be bigger and better with even more of the competition that has made the game so popular."

Sonny Werblin, president of the New York Jets, said, "the merger strengthens the structure of all of professional football."

At the same time, he denied rumors that he would sell the Jets because of the merger.

"It is unfortunate that the talk of selling the club appeared while all this was going on," Werblin said. "The merger relationship whatsoever. There have been two inquiries about selling the club, but the answer is no. We will be open for business as usual."

Max Winter, president of the NFL's Minnesota Vikings, said he thought the signing of kicker Pete Gogolak by the New York Giants, after he had played out his option with the Buffalo Bills, got the merger talks into the serious stage.

George Halas, owner-coach of the Chicago Bears and one of the NFL's founders, said: "I'm delighted that efforts to bring about a peaceful relationship have been successful. I have advocated the peaceful course of peace for a long time and have been completely in accord with informal talks that took place between the NFL and AFL club owners over the past several years."

Carl L. Johnson Jr., vice president in charge of sports for the National Broadcasting Co., which televises the AFL games, issued this statement: "NBC sports is pleased with the merger. This brings our long-standing relationship with both leagues are on a full parity."

Pat Rooney, general manager of the William Penn Racing Association, said Cardigan Bay has come up with a leg injury. Dr. Edwin A. Churchill, track veterinarian, said the Bay's left front leg is badly swollen and very sore and it will be several weeks before the swelling can be reduced.

## Phils Blast Redlegs With Power Display

PHILADELPHIA (AP) — The Philadelphia Phillies slammed 14 hits, including home runs by Tony Gonzalez, Rich Allen and Clay Dalrymple, and defeated Cincinnati 10-4 Wednesday night.

Gonzalez' homer with two on highlighted a four-run first inning, and the Phillies wrapped it up with five more in the fourth.

Allen's homer, his sixth in 10 days and ninth of the season, concluded the scoring in the inning. Dalrymple hit his home run in the fifth.

Cincinnati 600 100 140 — 6 12 1 Phila. 400 510 000 — 10 14

Phil. — Nuxhall (2), Davidson (4), Budschn (7), McCool (8) and Coker; Short, Knowles (8) and Dalrymple. W — Short 6-4, L — Ellis 2-0.

## Cards Snap Pirates' Win Streak

PITTSBURGH (AP) — Julian Javier homered, tripled and singled and Curt Flood collected three singles and a double in pacing St. Louis to an 11-5 victory over Pittsburgh Wednesday night. The setback ended the Pirates' six-game winning streak.

Javier drove in three runs while Flood and Tito Francona each had two RBI.

The Cards exploded for six runs in the first, driving Pirate starter Vernon Law from the mound before he could retire a batter.

Willie Stargell continued his hot hitting for Pittsburgh. He hit a home run, a single and a double.

St. Louis 601 301 000 — 11 17 0 Pittsburgh 100 202 000 — 5 12 2

Bills, Dennis (5) and McCarthy; Law, Schwall (1), Sisk (4), McBean (5), Mickelsen (7), Face (9) and Padiglioni, Gonder (4). W — Dennis 2-0, L — Law 2-3. Home runs — Atlanta, Aaron 2 (10), Gonder (3).

## Angels Edge Sox, Brunet Has 2-Hitter

ANAHEIM (AP) — The California Angels snapped Jack Lamabe's scoreless inning streak at 25 with a run in the seventh and went on to defeat the White Sox 1-0 behind the two-hit pitching of George Brunet Wednesday night.

Lamabe, who allowed only four hits before being lifted for a pinch hitter in the eighth, issued an inning opening walk to Norm Siebern in the seventh.

Siebern took second on a sacrifice, moved to third on Bobby Knoop's single and scored on an error by center fielder Tommy Agee. The run became earned when Bob Rodgers followed with a long fly to left.

Brunet, now 4-3 compared to Lamabe's 3-2 mark, allowed only a two-out single by J. C. Martin in the second and a double by Ken Berry in the third. Chicago 000 000 000 — 0 2 1 California 000 000 10X — 1 4 1

Lamabe, Fisher (8) and Martin; Brunet and Rodgers. W — Brunet, 4-3, L — Lamabe, 3-2.

## Steelheaders to Meet Saturday

KETCHUM — Jay Woodruff, Lewiston, Idaho president of the Northwest Steelheaders, and a North Idaho contingent, will meet with area sportsmen at a dinner meeting at 7 p.m. Saturday at the Stanley Rod and Gun Club.

Robert R. Glenn, Ketchum Rod and Gun Club official, said it will be women's night. He added anyone interested in preserving steelhead fishing is invited.

## Trotting Match Race Canceled

PHILADELPHIA (AP) — The match race between Cardigan Bay and Bret Hanover scheduled for Liberty Bell Park Saturday night was canceled Wednesday due to an injury to the 18-year-old Cardigan Bay.

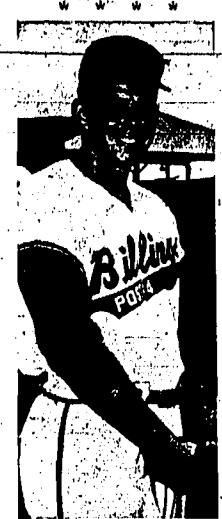

## DEBENHUS TITLE

TOKYO (AP) — Gahrle, (Flash) Elorde of the Philippines, will stake his Orient light flyweight title against Yoshiaki Nomata-of Japan Thursday night.

# T.F. LEGION INVITATIONAL OPENS FRIDAY

## Billings Picked in 3-Day Event; Oregon and Utah State Champs to Compete

State champions from Montana, Utah and Oregon move into Jaycee park Friday through Sunday nights to participate in the Twin Falls American Legion baseball round-robin invitational. Potentially champion Billings, which has gone to the Legion national tournament five times in the last seven years, is the favorite. Joining them is the Sugar Loaf Post of Salt Lake City, drawing its team members from Highland

**LEO PINNICK** is a left-handed lefty who is the ace of the Billings, Mont., American Legion team. He is the favorite in the round-robin Twin Falls Invitational Friday through Sunday evenings at Jaycee Park. Pinnick, 33, and 215 pounds, posted a 15-1 win-loss record and a 9.0 earned run average last year.

## Bases-Loaded Walk Paves Tigers' Win

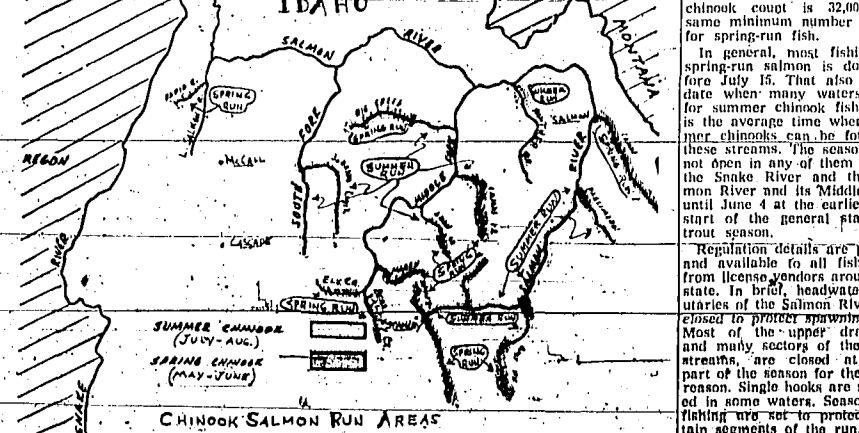

**DETROIT (AP)** — Reliever Don McMahon walked Don Wert with the bases loaded in the 11th inning Wednesday night, enabling the Detroit Tigers to defeat Boston 6-4.

Jim Northrup opened the inning with a single and raced to third when Joe Foy freed pitcher McMahon's throw on Willie Horton's bunt. Bill Freeman walked, filling the bases.

McMahon then walked Wert on a 3-1 pitch and Northrup was forced home with the winning run.

The Tigers had tied it 4-4 in the eighth when Al Kaline hit his second homer of the game. Jim Gager had two homers for the Red Sox, the second with no one aboard in the eighth. Boston 002 100 010 00—4 7 3 Detroit 001 002 010 01—5 6 2 Wilson, McMahon (10) and Ryan; Sherry (11) and Freeman. W—Sherry 3-0, L—McMahon 1-3.

## Spring, Summer Chinook Don't Overlap

SHADED MAP AREAS show separate spawning grounds used by Idaho's two main groups of chinook salmon — the springs and summers. A good run of spring chinook now is in the Snake, Salmon and Middle Fork rivers and available to fishermen. Summer chinook come to Idaho later and spawn from mid-August through most of September in the South Fork of the Salmon River, main Salmon River from the mouth of the Pahsimero River upstream to Stanley Basin, and the East Fork of the Salmon River. Spring chinook salmon spawn earlier, use different gravel beds that are slightly upstream from those of the summer-run fish. Check fishing regulations for details about variable seasons.

## Auerbach to Coach East in All-Star Tilt

**BALTIMORE (AP)** — Arnold (Red) Auerbach, who retired as coach after last season's seventh straight championship at Boston, will return one more time as manager of the East in the National Basketball Association All-Star game.

The Board of Governors named Auerbach an All-Star coach for the 11th time Wednesday at the same time announcing the game will be played Jan. 10 in San Francisco. Usually, the All-Star coaches come automatically from the respective first-place teams in the Eastern and Western Divisions at the end of the regular season.

Philadelphia finished first in the East last season but Dolph Schayes was fired as coach after Boston beat the 76ers in the divisional playoffs.

"The host San Francisco asked that Auerbach be named and the board of Governors approved unanimously," said Walter Kennedy, commissioner of the NBA.

The Western All-Stars will be coached by Fred Schaus of the division winning Los Angeles Lakers.

Philadelphia turned the coaching reins of the Celtics over to player Bill Russell after they wrested another title from the Lakers. After 16 years, Auerbach decided to devote full time to general managing.

The governors at their annual meeting also voted to increase the player limit for each team from 11 to 12 next season. Last season, they were allowed to dress 11 players a game and have another with a farm team.

Kennedy also received a 53rd birthday present from the owners. They raised his salary to the vicinity of \$50,000 a year and extended his contract from two to five years. He has been commissioner since 1963.

more speed in the outfield to corral some of the high fly balls that fall in for extra bases last weekend.

**DUANE PRESNELL** and **STEVE SHARP** are counted on for a lot of action this weekend when Twin Falls hosts a Legion baseball invitational with Billings, Mont., Hillsboro, Ore., and Salt Lake City. All state champions. Sharp was a three-sport star at Filer High School while Presnell attended Kimberly High School. The invitational will include doubleheaders, beginning at 6 p.m., Friday through Sunday at Jaycee Park.

## THE TIMES-NEWS SPORTS

## Astros Hand Second Loss To Marichal

**HOUSTON (AP)** — John Bateman's two-run single capped a four-run sixth-inning uprising as the Houston Astros beat San Francisco 6-1 Wednesday night, sending the Giants' 10-game winning streak to a halt.

The ace right-hander, who lost his first game of the season to Philadelphia's Chris Short June 4, was breezing along on two hits when the Astros struck in the sixth.

Sammy Jackson and Jim Wynn singled and Jim Gentile was hit by a pitch to load the bases. Rusty Staub got an infield hit to score Lee, and Lee hit a single to put Houston ahead 2-1. Then after Felix Mantilla struck out, Bateman followed with his two-run blast.

San Francisco 001 000 000—1 6 0 Houston 000 004 20X—6 10 1 Marichal, Henry (7), McDermott (7) and Burten; Cuellar and Bateman. W—Cuellar 4-0, L—Marichal 10-2.

**FISH MOVEMENTS**  
By The Associated Press  
The upstream movement of fish at Columbia River dams  
June 7:

Chinook Steel, Shad	
Baineville	600 150 1588
The Dalles	170 23 28
McNary	114 10 0
Ice Harbor	66 0 0

of the Salmon River.

Spring chinook salmon so far are doing better in the struggle for survival than summer-run fish. Spring salmon still manage to return to adults for each one that successfully runs the hazardous gauntlet to the spawning beds. Summer chinook are barely holding their own on a one-for-one ratio.

## First Catch

**SALMON** — The first group of chinook salmon reached the Lemhi River near Lemhi Tuesday morning.

Terry Holubetz, fisheries biologist in charge of the Lemhi River fish program, said the trap contained seven salmon at 8 a.m.

The fish began moving up the Lemhi from the Salmon River last weekend with an increased flow of water in the stream.

The department official noted that fishing for the chinook is open above the weir.

## Orioles Edge Solons 6-5 In 14 Innings

**BALTIMORE (AP)** — Pinch hitter Camilo Carron stroked a run-producing double with one out in the 14th inning — his first hit of the season — and enabled Baltimore to defeat Washington 6-5 in the first game of a two-night doubleheader Wednesday.

The second game was suspended because of Baltimore's city curfew with Washington leading 5-4 after five innings.

It will be continued from the point of suspension before Thursday night's regularly scheduled game.

## Aaron Powers Braves Past New York 7-6

**NEW YORK (AP)** — Hank Aaron drove in six runs with a double and two homers, including a grand slam, Wednesday night, leading the Atlanta Braves to a 7-6 victory over the New York Mets.

Aaron opened the first inning with his 19th homer in the first inning with the 19th home run in the third after Felix Millan and Eddie Matthews singled and Woody Woodward walked.

Aaron's double drove in Woodward who had singled in the fifth.

Dick Stuart's two-run single was the key hit for New York in a three-run third. Ed Kranepool and Cleon Jones singled home runs in the fifth.

Atlanta 104 010 100—7 11 0 New York 000 320 001—6 8 0 Fischer, O'Dell (4), Carroll (3), Abernathy (9) and Caray; Fisher, Boarnarth (4), Ribant (7) and Stephenson, Goto (9).

**HOME RUNS** — Atlanta, Aaron 2 (20), Jones (6), New York, Hiller (1).

## Cubs Batter Drysdale and Dodgers 8-1

**CHICAGO (AP)** — Rookie Catcher Randy Hundley hit his first major league grand slam home run in the fourth inning to hang a 4-0 defeat on Los Angeles Dodgers ace Don Drysdale and power the Chicago Cubs to an 8-1 victory Wednesday.

Drysdale, now 4-6, boosted his strikeout career total to 2,003, fanning seven but hit three batters and was victimized by a five-run fourth.

Meanwhile, hard lefty loffy Dick Ellsworth broke a five-game losing streak with a yield of eight hits striking out seven.

## Five Americans Stay Alive in British Amateur

**CARNOUSTIE, Scotland (AP)** — Bill Hyndman of Philadelphia, former Walker Cup player, sank a 30-foot putt on the last green Wednesday and joined four other Americans in the last 32 of the British Amateur Golf Championship. Hyndman, a 50-year-old insurance executive and Bill Campbell, former United States Walker Cup captain, from Huntington, W. Va., were the big U.S. hopes as the championship moved into the pay-off stages.

Hyndman defeated Norman Duncan of Carnoustie, 1 up, and admitted afterwards "that final hole was the greatest break of all time. I couldn't believe my eyes when Norman sent his second out of bounds."

The American had sent his one-iron second shot into the creek in front of the home green — a one-shot putt. Then Duncan, with the match in his pocket, hooked his second out of bounds.

Both were on the green in four. Hyndman sank his long putt for a five. Duncan missed his putt and Hyndman had eked out his victory.

Campbell, now 43 years old, defeated Walter Fendren III of Houston, Tex., 5 and 4, and rarely was severely pressed.

Other United States victories in the third round were: Richard Anthony of Andalusia, Ala., 3 and 1 over John Young of Scotland.

Truman Connel of North Palm Beach, Fla., 7 and 6 over A.F. Brown of England.

**McDowell and Indians Stop Yankees 2-1**  
**CLEVELAND (AP)** — Sam McDowell, making his first appearance in two weeks, cut short a ninth inning New York threat Wednesday night as Cleveland defeated the Yankees 2-1.

McDowell, who had been sidelined with a sore arm, relieved starter Gary Bell after Mickey Mantle had opened the ninth with a single. The fireballing southpaw retired the next three batters on fly balls.

Bell yielded only seven hits and became the first Indians pitcher to win five games.

The Yankees scored their only run in the seventh when Roger Maris singled and raced home on Joe Pophone's double.

New York 000 000 100—1 7 0 Cleveland 010 000 00X—2 7 0 Stottlemyre, Hamilton (8) and Howard; Bell, McDowell (9) and Acee, W-Bell 5-2, L-Stottlemyre 5-5.

## A's Surprise Twins With 4-Run Inning

**ST. PAUL — MINNEAPOLIS (AP)** — Pitcher Fred Talbot hit a two-run double in a four-run Kansas City rally in the sixth inning Wednesday night.

Talbot, who yielded runs in the second and fourth innings, delivered the blow which finished Jim (Mudcat) Grant. His head in right field to produce the final two runs in the rally.

Kansas City scored its first two runs in the inning on a single by Ken Harrelson and a sacrifice fly by Phil Rife.

Peter Townsend, the 18-year-old favorite from England, who after being taken to 33 holes by Finlay Black of Scotland.

Cliff Bland of England knocked out Michael Lunt, a British Walker Cup player, and David Symon, a 20-year-old South African, and an Eisenhower Trophy player, went into the fourth round with a 4 and 3 victory over Frank Straat of Miami, Fla.

**Government Will Study Merger**  
**WASHINGTON (AP)** — The Justice Department said Wednesday it will take a close look at the announced merger of the National and American Football Leagues to see if it violates antitrust laws.

A department spokesman said the federal agency "had been given some advance notice" of the merger. He did not say how much.

**NOW OPEN Rainbow Inn at Roseworth Reservoir Cold Beer — Soft Drinks CAFE BOATS AND CABINS FOR RENT**

**Italian Star Expects to Lose**  
By The Associated Press  
South Africa and Italy clash Thursday in the feature match of the European Zone Davis Cup tennis competition, with Italy's players predicting a victory for South Africa.  
"We will lose 3-2," said a pessimistic Nicola Pietrangeli, veteran of the Italian Cup team. Pietrangeli is expected to turn pro at the end of the summer.  
Semifinal matches are scheduled this weekend in the European A and B divisions. The winner of the A group meets the American Zone winner and the B survivor plays the Eastern Zone champion.

## Sen. Kennedy Confers With Prize Winner

DURBAN, South Africa (AP) — Sen. Robert F. Kennedy talked for an hour Wednesday with Chief Albert Luthuli, Nobel Peace Prize winner who is restricted under South Africa's suppression of communism laws. He told Luthuli "we would be glad" to have him in the United States and the African leader indicated he would like to make the visit, Kennedy reported later.

Apparently Luthuli acknowledged there would be difficulty in arranging an American trip, since the government would be unlikely to give him a passport, but he told Kennedy "God takes care of things" and suggested it might be possible sometime to make the visit.

The New York Democrat said he judged Luthuli to be "unambiguously opposed to communism."

"It seems he feels deeply his long struggle for Africans should not be involved in turning his people over to a tyranny such as communism," Kennedy said. "He believes the future of the African is against communism and he feels the Africans understand that."

After the visit, Kennedy returned to Johannesburg for a tour of the sprawling African township of Soweto on the city's outskirts, and a speech Wednesday night to students at Johannesburg's Witwatersrand University. His face lined and showing strains of the last few days, during which he has had little sleep, Kennedy perched precariously atop his car in Soweto and grasped eagerly outstretched African hands.

"Look, man, he's shaking black hands!" cried an excited African woman.

Hundreds of African children mobbed Kennedy at every halt on his whistle-stop tour through the complex of segregated townships on the outskirts of Johannesburg, where half a million Africans live. One youngster forgot to let go the senator's hand and pulled him on his face on the car roof, but Kennedy smiled and came back for more.

NO ACCIDENTS for 10 and 14 years netted these three men awards for safe driving, no accidents and no personal injuries. The awards were presented to the men, all-employees with the Wonder Bread Co., by the company's national headquarters. From left Paul Eastman, 10-year award; Melvin Menck, 10-

year award, and Oscar Helleswell, 14-year award. The two men with 10-year awards received plaques and watches. Helleswell received a watch four years ago and got a plaque this year. If he makes it for another year he will win another watch. (Times-News photo)

## Police Hold Man Here for Illegal Entry

A 21-year-old man is being held in Twin Falls for immigration officials after he was arrested Tuesday for illegal entry into the United States.

Samuel Reyes, from Mexico, was arrested by immigration officials while he was working in a field near Mountain Home. Reyes will be sent to El Centro, Calif., where he will be placed in a detention camp prior to being sent back to Mexico.

Immigration officials said in Twin Falls Wednesday that about 15 persons are arrested each year in Magic Valley for illegal entry.

They said usually persons entering the United States illegally, after they are arrested, are sent back to their own country.

However, for a first offense, the person entering the country illegally can be fined \$1,000 and sentenced to one year in prison. If a person has been deported from the country and then re-enters illegally, he can be sentenced to two years in jail and fined \$5,000.

Reyes said he came to the United States because he can make "good money" if he works hard. He said while working hard in the United States he averaged about \$20 per day. He said in Mexico, he would work in fields from 4 a.m. to dark and only get about \$4 a day.

## Lincoln Pair Attend Rites At Academy

SHOSHONE — Mr. and Mrs. William Flavel, Shoshone, have returned home from King Point, N. Y., where they attended graduation exercises for their son, Cadet M. R. (Bob) Flavel, at the U. S. Merchant Marine Academy.

The services were held at the Mariners Memorial Chapel. Cadet Flavel received a scholastic star this spring, comparable to scholastic honors on the dean's roll at college. He has his commission as an ensign and will work for American Mail, Seattle, Wash., as a third mate.

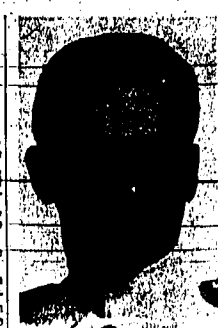

Flavel was graduated from Richfield High School in 1962 and has maintained the grade point and standards to meet the Marine Academy requirements.

## Bill Will Benefit

POCATELLO (AP) — Spokesmen for railroad labor unions said Wednesday a bill approved by the Senate Tuesday will benefit about 4,000 railroad workers in Idaho.

J. H. Phelps Jr., legislative representative of the Brotherhood of Railroad Trainmen, and B. R. Brown, who holds a similar position with the Brotherhood of Locomotive Firemen and Engineers, said the National Railroad Labor Adjustment Board now is far behind in handling cases brought before it.

The new bill, which previously passed the house, "will correct this," Phelps and Brown said in a statement.

CADET M. R. FLAVEL, son of Mr. and Mrs. William Flavel, Shoshone, was graduated from the U. S. Merchant Marine Academy at Kings Point, N. Y.

## Hearing Set for Accused Robber

IDAHO FALLS (AP) — Preliminary hearing for a Rigby, Idaho, man accused in an Idaho Falls bank robbery was scheduled Wednesday for June 17. Victor Jordan Smith was accused of the armed robbery of a branch of the First Security Bank on May 26. He was arrested two days later.

## Credit Rides

SEATTLE, WASH. (AP) — Credit car commuting is coming to Seattle. The city bus system has decided to put a ride-now pay-later policy into effect July 1. Passengers will be able to charge a book of bus tickets with credit cards issued by a local bank. "To our knowledge Seattle Transit will be the first major city in the country to provide bus rides on credit," said Lyle F. Wilson, chairman of the Transit Commission.

# JUNE IS DAIRY MONTH

Enjoy balanced nutrition for abundant health and energy

Using dairy foods every day is the easiest way to add calcium, high quality protein, Vitamin A, riboflavin and other essential nutrients to your diet. Enjoy the balanced nutrition of delicious dairy foods every day — the key to abundant health and energy.

## Buttermilk

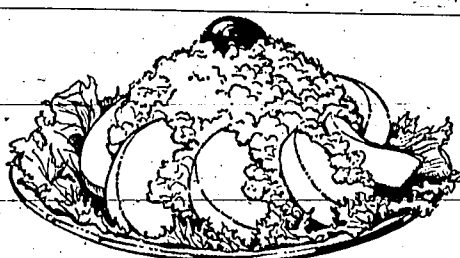

The zesty, cooling drink with old-fashioned, refreshing flavor.

## MILK

Proteins are nutrients that help keep us young in body and mind. Milk proteins are especially high in nutritive quality and provide our most economical source of high quality protein.

Protein for Pennies

## Cottage Cheese

Fluffy, snowy-white cottage cheese is low in calories, high in appetite satisfaction. Served with fresh fruit, cottage cheese makes an ideal salad, and supplies as much high quality protein as one serving of meat.

## delicious ice cream

## Sour Cream

Terrific with Idaho Potatoes

## ALSO

Butter  
Chocolate Milk  
Whipping Cream  
Half & Half  
Evaporated Milk  
Cheese

## Criticism of BLM Is Heard At Meetings

SALT LAKE CITY (AP) — Strong criticisms of Bureau of Land Management policies were voiced Wednesday at public hearings of the U.S. Public Land Law Review Commission.

The hearings are being conducted to determine what areas of public land laws need review and study. The Salt Lake City sessions ended Wednesday. In charge of the sessions was H. Byron Mock, Salt Lake attorney and commission vice chairman. Slinging with him were Ron Laurence M. Burton, R-Utah, a commission member, and Milton A. Pearl, staff director.

Several cattle and sheep ranchers told the commission that congressional intent is not being carried out by the bureau. Edward M. Brown, Salt Lake City attorney, said the Taylor Grazing Act was passed to stabilize the livestock industry. But he said it has not been successful.

"Grazing administration should not be complex," he told the commission, "but it appears to have become enmeshed in procedural rather than factual requirements."

He blamed this on policies and procedures of the bureau. Brown also asked for a change in appellate procedures within the Department of Interior. He said the outcome of grazing appeals can be predicted "with reasonable certainty" even before reaching the department director.

He suggested appeals should either go directly to the secretary of the interior or to an entirely separate body.

Several other persons suggested that public lands should be sold to private interests and placed on the tax rolls.

Wildlife, fishing and recreation interests also were represented.

DELEGATES ARRIVE  
POCATELLO (AP) — Nearly 300 delegates to the 44th annual convention of Idaho State Elks Association arrived Wednesday for four days of meetings in Pocatello.

THE GRADUATING CLASS of the Naval Academy at Annapolis, Md., pitched in Wednesday to give Scott Jenkins Shields — the last man in academic standing in his class — a dollar each. Shields, a native of Bonita, Calif., collected a total of \$871. He reaches for a wallet to stash the loot. He will report to Pensacola, Fla., for flight training. (AP wirephoto)

The Knothole baseball schedule for the week of June 14 was announced Wednesday by Chad Browning, city recreation director.

American League teams playing Wednesday are Kelly-Mulder vs. Jackie DeGlee, 9 a.m., diamond 3; Linda Hansing vs. Sherry Holder, 9 a.m., diamond 1, and Patty Koto, 9 a.m., diamond 3.

Teams playing Friday are Patty Koto vs. Sherry Holder, 9 a.m., diamond 3; Kelly Mulder vs. Linda Hansing, 9 a.m., diamond 1, and Jackie DeGlee, 9 a.m., diamond 3.

Teams playing Thursday are Penny-Wise vs. Farmer's, 9 a.m., diamond 3; Tempo Tigers vs. Mike Carpenter, 9 a.m., diamond 1, and Maxie's Pizza Oven vs. Debbie Robinette, 10:30 a.m., diamond 1.

Pacific League teams playing Tuesday are Union Oil vs. Cactus Pete's, 1:30 p.m., diamond 3; Northwest Livestock vs. Jay-C-Ettes, 3 p.m., diamond 3; Smith Electric vs. Tracy Peterson, 10:30 a.m., diamond 1, and Twin Falls Heating Hotspots vs. Linda Day, 1:30 p.m., diamond 1.

Atlantic League teams playing Wednesday are Penny-Wise vs. Charmer's, 10:30 a.m., diamond 3; Little Splinters vs. BMA All Stars, 1:30 p.m., diamond 1, and Step Ken vs. Western Music, 3 p.m., diamond 3.

Teams playing Friday are Penny-Wise vs. Little Splinters, 10:30 a.m.; Step Ken vs. Charmer's, 10:30 a.m., diamond 1, and Western Music vs. BMA All Stars, 1:30 p.m., diamond 1.

International League teams playing Wednesday are Petroland Twisters vs. Kit Christenson, 1:30 p.m., diamond 1, and Buttreys vs. Sugar Cured Cuties, 3 p.m., diamond 1.

Teams playing Friday are Petroland Twisters vs. Buttreys, 1:30 p.m., diamond 3, and Sugar Cured Cuties vs. Kit Christenson, 3 p.m., diamond 3.

## Milk Product Prices May Get Higher

NEW YORK (AP) — This is the 30th annual dairy month, and milk production is down and prices are up — and likely to head higher.

Butter production is running 25 per cent lower than last year, and prices are up. So are cheese prices.

Ice cream costs 5 cents more a gallon than it did a year ago.

Coffee is cheaper — down 2 cents a pound for regular and 72 cents for a 6-ounce jar of instant.

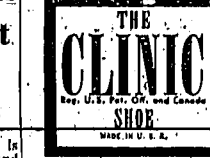

The nation's housewives soon may feel the effects of the great plains drought, which coupled with cold weather, has held back the wheat crop, pushing up prices.

General Mills Inc. and Pillsbury Co. plan to raise the price of flour about 10 cents for a 25-pound bag by the end of the month.

Later, prices of cookies, crackers and other bakery products may go up. Bread already is higher — the result of increased costs for labor, shortening and packaging, as well as flour.

To the great delight of children, spinach is likely to be in short supply this year. So are broccoli, corn, cauliflower and lima beans.

**T-Bone Steaks**

The Tale of the Tail...

Some stores leave the tail on. Some stores wrap the tail around the steak so it's less noticeable. Others hide it under the steak in the package. This never happens at Safeway!

**SAFEGWAY trims the tail off!**  
 We don't ask you to pay more price for the less tender tail. See how the famous Safeway trim makes it along with so much more taste!

**lb. 98¢**

**Boneless Steaks** U.S.D.A. Choice Top Round **lb. 79¢**

**Swiss Steaks** Full Cut Bone in **lb. 69¢**

**Leg O' Lamb** U.S.D.A. Choice Spring Lamb **lb. 79¢**

YOUR BIRTHDAY  
and HOROSCOPE

**THURSDAY, June 9** — Born today, you are one of those who may well have a sharp dividing line separating your adult life into two halves and two careers. Destined to be at least reasonably successful in the career you choose early in life, you may find that nevertheless, that career calls on you as you reach middle age. If this is the case, then you may well embark on an entirely new line of work, leaving all else behind, and start your career afresh. Many highly successful people have followed this pattern.

Although you will probably have very set goals, ideas, and ideals as a young man or woman, as you grow older your perspective will no doubt change. You may then find that you are more than most people's. This explains why you will so easily be able to drop everything and begin all over again at an age when many are looking forward not to new ventures but to retirement. Remember this when you become aware of changes in yourself, and don't allow yourself to be frightened by them.

One thing, however, will remain constant — your love of home and family. And since when the time comes you may want to change everything in your life except your home and family, you must take great care in the selection of a mate. Choose someone who is flexible, who shows promise of remaining young at heart and in mind, and who does not fear adventure or cling too persistently to the status quo.

To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph. Let your birthday star be your daily guide.

**Friday, June 10**

**GEMINI (May 22-June 21)** — Make plans early in the day for the entertaining of friends over the weekend. Take time out for rest; then enjoy yourself in the evening.

**CANCER (June 22-July 23)** — An excellent day for the Cancer with a deal on the fire. Wind things up early, and then prepare for a celebration.

**LEO (July 24-Aug. 23)** — If seeking romance, this may well be the day when you find it. Don't jump in over your head the moment you see the water.

**VIRGO (Aug. 24-Sept. 23)** — A good day for planning a journey. Make sure you're in the best of health for the coming week end; a checkup might be wise.

**LIBRA (Sept. 24-Oct. 23)** — The mind of the mentally active Libra should be bursting with new ideas today. Profit-making follows careful planning.

**SCORPIO (Oct. 24-Nov. 22)** — Follow up inspiration with practicality. You may well stumble on a good thing when you least expect to today.

**SAGITTARIUS (Nov. 23-Dec. 22)** — A day of good fortune both at home and at work. Schedule your time wisely — and include rest periods for best results.

**CAPRICORN (Dec. 23-Jan. 20)** — You should be able to make notable gains today insofar as your career is concerned. Take care not to take a step backward in the matter of domestic happiness.

**AQUARIUS (Jan. 21-Feb. 19)** — You should reap all the benefits of a full and active day. Take others into your confidence if planning a change of scenery.

**PISCES (Feb. 20-March 21)** — A progressive, forward-looking attitude is the key to success just now. Let this be one of your strong days of planning.

**ARIES (March 22-April 20)** — Don't allow the mere promise of bigger and better profits to deter you from your present goal. Ask to see some proof of the pudding.

**TAURUS (April 21-May 21)** — An active, high-pressure day. Let off steam by giving vent to your adventurous nature. If seeking employment, this can be an excellent day.

**WESTERN FAMILY**

**CRACKERS**

**4 \$1**

**Hollister Class Reunion Planned**

**HOLLISTER** — The Hollister High School class reunion will be held the evening of July 2 at the Holiday Inn, Twin Falls, with a social hour from 7 to 8 p.m.

Apicnic is planned for graduates, guests and their families at 1 p.m. July 3 at Nat Soc Pk. Persons attending are asked to bring a covered dish and their own table service. Fried chicken, beverages, bread, and ice cream will be furnished.

Persons who attended Hollister High School but did not graduate are invited to both the banquet and picnic. Reservations should be made immediately with Mrs. John Pastoor, 733-8415.
